Re: Ocean Dumping Litigation Costs and Attorney Fees
Related to Manatee County.

Dear Chairman Chance:

It is with great pleasure that I herewith transmit our check in the amount of \$228,143.33 for the legal fees and related costs incurred by Manatee County in the Ocean Dumping Litigation, together with interest from July 13, 1984.

The good judgment and courage of the Board of County Commissioners in opposing the unlawful action of the federal government has been proven by the Court's order and the federal government's reimbursement of these monies to Manatee County.

We sincerely appreciate the honor and opportunity of representing Manatee County in this important litigation.

Very truly yours,

PEEPLES, EARL, REYNOLDS &
