**SUBJECT:** Employee Recognition Committee

---

I would like to recommend Jay Moyles for special and appropriate employee recognition for volunteering his time to prepare artwork for signage and themes at Emerson Point Park.

Notwithstanding Jay's special artistic talent, his conceptual art contributions and practical design suggestions have saved the County substantial fees required to develop the artistic renderings for the major entrance sign at Emerson Point. Jay's conceptual images will also be incorporated into other permanent signs throughout the Park.

I have been fortunate to be able to work with Jay on these designs, which were all done on his own time. Jay has been a willing volunteer and resource to many others, such as the County Fair Booth Committee, in art, calligraphy, and design. It would be very appropriate to publicly recognize Jay for his contributions to Emerson Point Park and for the many other volunteer hours that he gives to the County on a year round basis.

Karen Windon, Director, Public Safety Dept.
