RE: School crossing in front of Center Academy on 26th Street West**ACTION**

My office received a call from Charlene Freddes, 748-0896, with three concerns:

1. There is a school sign posted north bound on 26th Street West but no school sign south bound near the school.
2. There is a 30 mph sign she said around 22nd Ave. on 26th Street, however the 40 mph sign was left up in front of the Church as you travel north from the 2 lane portion to the 4 lane portion. This is confusing to motorists and they think they can travel 40 mph.
3. She stated at other schools, the street is painted in front of it to also alert motorists of a school. This has not been done.

Please review her concerns and respond with the status.

Thank you.
