**THIS CONTRACT FOR SALE AND PURCHASE FOR AN ACCESS AND MAINTENANCE EASEMENT ("Contract") is made and entered into this 24th day of June, 2010, by and between Eugene F. Shultis, Sr. and Mary D. Shultis, Husband and Wife, whose address is 1529 29<sup>th</sup> Avenue West, Bradenton, Florida, 34205, hereinafter referred to as "Seller," and COUNTY OF MANATEE, a political subdivision of the State of Florida, whose mailing address is Post Office Box 1000, Bradenton, Florida 34206, with a street address of 1112 Manatee Avenue West, Bradenton, Florida 34205, hereinafter referred to as "Purchaser."**

**W I T N E S S E T H:**

In consideration of the mutual covenants herein contained and other good and valuable consideration, the Parties hereto agree as follows:

1. **DESCRIPTION OF REAL PROPERTY:**

The Seller shall sell and the Purchaser shall purchase, upon the following terms and conditions contained herein, improved real property situated, lying, and being in the County of Manatee, State of Florida, described in Exhibit "A" attached (hereinafter referred to as "Property"). The parcel sketches and legal descriptions of the Property are incorporated into this Contract and made a part hereof as Exhibit "A."

2. **PURCHASE PRICE; ACCESS AND MAINTENANCE EASEMENT:**

The full purchase price of the Property is **\$4,550.00** ("Purchase Price"), subject to adjustment upon closing as hereinafter provided, and is to be paid at the time of Closing this transaction, at which time Seller shall deliver to Purchaser a good, sufficient, and properly recordable Access and Maintenance Easement conveying to Purchaser a permanent easement to the property, free and clear of all liens and encumbrances, subject to any restrictive covenants, reservations, building lines, and easements of record, and County zoning restrictions or regulations in effect, if any, except as hereinafter provided.

3. **EFFECTIVE DATE:**

For purposes of this Contract, the effective date shall be the date upon which this Contract is approved by the Manatee County Board of County Commissioners (the "Effective Date").

4. **CLOSING:**

This transaction shall be closed sixty (60) days from the Effective Date, subject to the curative periods provided in paragraphs 9, 10, and 11 below, as well as other conditions of this Contract. The date and time of Closing shall be mutually agreed upon between the Parties and shall occur at 1112 Manatee Avenue West, Bradenton, Florida, 34205, or at any other location agreeable to both parties. The Closing may be extended by the Parties for a mutually agreeable period of time in order to complete any conditions of closing or other requirements of this Contract.

A. **Documents for Closing:**

Seller shall deliver, in addition to the documents referred to in paragraph 6 below, an Access and Maintenance Easement and any corrective instruments that may be required in connection with perfecting Seller's title to the Property and such other documents as may reasonably be required pursuant to any state or federal law.

5. **COSTS:**

Documentary stamps and the cost of recording the Access and Maintenance Easement described in paragraph 2 above shall be paid by the Purchaser at the time of Closing.

If applicable, Seller shall, in accordance with the statutory requirements set forth in Section 196.295, Florida Statutes, deposit in escrow with the Manatee County Tax Collector an amount equal to the current year's taxes prorated to the date of Closing, same being the date upon which transfer of title shall occur. This amount shall be based upon the current assessment and millage rates on the Property owned by Seller.

Seller and Purchaser each represent that they shall indemnify each other against any claims for commissions due any real estate broker in their employ in connection with this Property.

6. **LIENS:**

Seller shall furnish to Purchaser at the time of Closing an affidavit attesting to the absence, unless otherwise provided for herein, of any financing statements, claims of lien, or potential lienors known to Seller and further attesting that there have been no improvements to the Property for ninety (90) days immediately preceding the date of Closing. If the Property has been improved within said time, Seller shall deliver releases or waivers of all mechanic's liens executed by general contractors, subcontractors, suppliers, and material men, in addition to Seller's lien affidavit setting forth the names of all such general contractors, subcontractors, suppliers, and material men, and further reciting that, in fact, all bills for work to the subject Property which could serve as a basis for a mechanic's lien have been paid or will be paid at Closing.

**7. REPRESENTATIONS AND WARRANTIES OF SELLER:**

Seller hereby covenants, represents, and warrants now and through the date of Closing that:

A. Seller is or will be the fee simple owner of the Property as of the date of Closing and has not conveyed, transferred, or further encumbered its interest in the Property, and at Closing, shall hold good and marketable title thereto free and clear of all liens and encumbrances other than the Permitted Exceptions.

B. Seller has made no commitments (either oral or written) to any organization, governmental body, or other entity to dedicate any portion of the Property for public or private use, nor have any requirements for such dedication been imposed upon any portion of the Property.

C. Seller has not received notice of any pending condemnation or similar proceeding affecting the Property or any portion thereof.

D. Seller has no knowledge of any actions, suits, or proceedings, pending or threatened, against or affecting the Property or any portion thereof, or relating to or arising out of the ownership of the Property or any portion thereof, in any court or before or by any governmental entity.

E. There are no leasehold interests in the Property, or if there are, that they shall be terminated prior to or at the time of Closing.

F. Seller shall not enter into any new lease agreements, occupancy agreements, parking agreements, or any brokerage, service, management, maintenance, or similar contracts, or modify, amend, or renew any such existing agreements or contracts which will extend beyond the Closing Date without the prior written consent of Purchaser.

G. Seller shall keep all existing fire and extended coverage and other insurance policies insuring the Property against property damage in full force and effect pending the Closing.

H. There are no recorded or unrecorded covenants, conditions, or restrictions affecting the title to the Property which would hinder, impair, restrict, or preclude the use of the Property for public transit purposes.

I. During the time of Seller's ownership of the Property, Seller warrants that, to the best of Seller's knowledge and belief, no hazardous wastes, hazardous substances, pollutants, and/or contaminants were placed, released, stored, buried, disposed, or dumped onto the Property.

J. Seller has no knowledge of any buried, partially buried, or aboveground tanks, storage vessels, drums, or containers located on, in, or under the Property.

K. Seller has no knowledge of any material defects relating to the Property or improvements located thereon, if any, including, but not limited to, termite infestation, structural defects, archaeological sites, unstable soil conditions, or sinkholes.

L. The Property is the homestead of Seller.

8. **INSPECTION PERIOD:**

The time period commencing on the Effective Date and continuing for a period of thirty (30) days shall be referred to as the "Inspection Period." If at any time during the Inspection Period Purchaser determines, in its sole and absolute discretion, that the Property is not suitable for Purchaser's purpose for any reason, Purchaser may terminate this Contract by written notice given to Seller on or before the last day of the Inspection Period. Upon termination by Purchaser under this paragraph 8, this Contract shall be null and void, and neither party shall have any rights, liabilities, or obligations hereunder, except with respect to those provisions hereof which expressly survive termination. Upon written notice to Seller prior to the end of the Inspection Period, the Inspection Period may be extended by Purchaser for up to sixty (60) additional days if necessary to complete Purchaser's inspections under paragraphs 9, 10, or 11 below.

9. **TITLE COMPANY AND TITLE INSURANCE:**

Purchaser, at its sole cost and expense, may cause to be delivered at Closing an owner's title insurance policy on the Property for the full amount of the Purchase Price issued by a title insurance company and underwriter selected by Purchaser containing the following exceptions ("Permitted Exceptions"):

A. Restrictions and easements of record accepted or waived by Purchaser in accordance with this paragraph 9.

B. Taxes for the year of closing and subsequent years.

Any additional exceptions must be waived and acknowledged by Purchaser as specified in this paragraph 9.

During the Inspection Period, Purchaser shall purchase an owner's title insurance commitment (the "Commitment"). In the event that the Commitment indicates that title to the Property is not marketable for any reason, or contains title defects, covenants, restrictions, or encumbrances which are not acceptable to Purchaser (regardless of whether such defect(s) were known to Purchaser prior to the Effective Date of this Contract), and provided that Purchaser has not previously terminated this Contract during the Inspection Period pursuant to paragraph 8 above, then Purchaser shall notify Seller no later than ten (10) days following the end of the Inspection Period, and Seller shall have the right but not the obligation to cure defects in the title to the reasonable satisfaction of Purchaser (or the title insurance company) within one hundred twenty (120) days after

receipt of notice. Upon Seller's failure to cure any such defects in title, or the election not to do so, within the time period set forth above, Purchaser shall have the option to either: (a) terminate this Contract and all rights and liabilities hereunder or (b) accept such title as Seller can convey and proceed with the Closing as if no defect had been found. Notice of Purchaser's election shall be provided to Seller within thirty (30) days from receipt by Purchaser of Seller's notice of curing (or election not to cure), or from the end of the one hundred twenty (120) day cure period, whichever occurs earlier. If Purchaser elects to close this transaction, then the Closing shall occur within fifteen (15) days from the date that said notice is given. If Purchaser elects to terminate this Contract, all rights and liabilities under this Contract shall terminate.

10. **SURVEY:**

During the Inspection Period, Purchaser may obtain a survey of the Property by a professional surveyor registered as such with the State of Florida. If the survey shows any gaps, overlaps, encroachments, or other survey-related defects relating to the Property (regardless of whether such defect(s) were known to Purchaser prior to the Effective Date of this Contract), and provided that Purchaser has not previously terminated this Contract during the Inspection Period pursuant to paragraph 8 above, then Purchaser shall notify Seller no later than ten (10) days following the end of the Inspection Period, and the same shall be treated as a title defect and handled in accordance with paragraph 9 above.

11. **DEVELOPMENT ANALYSIS; ENVIRONMENTAL AND SUBSURFACE TESTING:**

During the Inspection Period, Purchaser and its agents shall have the right to enter the Property, upon reasonable notice to Seller, from time to time, and to perform any and all inspections, investigations, tests, analyses, surveys and audits as Purchaser desires to determine the environmental condition of the Property and its engineering/site development issues and limitations (collectively the "Tests"). In the event the Tests indicate that the Property contains hazardous materials or waste, other pollutants or contaminants, unstable subsurface conditions, significant engineering and/or site development problems or requirements, or similar conditions which are unacceptable to Purchaser (regardless of whether such condition(s) were known to Purchaser prior to the Effective Date of this Contract), and provided that Purchaser has not previously terminated this Contract during the Inspection Period pursuant to paragraph 8 above, then Purchaser shall notify Seller no later than ten (10) days following the end of the Inspection Period, and the same shall be treated as a title defect and handled in accordance with paragraph 9 above. Purchaser agrees not to hinder or disturb the ongoing operations being conducted by Seller on the Property, and further agrees to repair and restore any physical damage caused by such Tests. Purchaser shall, to the extent allowed by law and subject to Section 768.28, Florida Statutes, indemnify, defend, and hold Seller harmless from and against any claim, cost, charge, or expense arising from or resulting from such Tests.

**12. REPORTS AND DOCUMENTS:**

Within ten (10) days after the Effective Date of this Contract, Seller will provide to Purchaser copies of all written reports in Seller's possession relating to the environmental condition of the Property; past and current notices of property tax bills; all plans, permits, maps, and approvals; any and all boundary surveys; and any existing title policy or commitment together with hard copies of any and all exceptions. Seller hereby acknowledges that the reports may have been prepared by third parties and are provided to Purchaser without representation or warranty of any kind, it being understood that Purchaser shall be solely responsible for conducting such inspections as it deems reasonably appropriate regarding the Property.

**13. CONDITIONS TO CLOSING:**

Unless waived by Purchaser in writing, the obligation of Purchaser to close this transaction is expressly conditioned upon satisfaction of all of the following conditions by the date of Closing. If such conditions are not so met, Purchaser may elect either to terminate this Contract by written notice to Seller or close the transaction contemplated in this Contract and thereby waive Seller's performance of those conditions which have not been satisfied. If Purchaser elects to terminate this Contract, all rights and liabilities under this Contract shall terminate except with respect to any intentionally false representation or intentional breach of warranty by Seller.

A. All representations and warranties of Seller as of the Effective Date, as contained in paragraph 7 above of this Contract, shall be and remain true and correct at Closing in all material respects.

B. There shall have been no loss or destruction of or damage to the Property which shall not have been repaired or restored by Seller prior to the date of Closing, and there shall have been no adverse change in the condition of the Property from the Effective Date to the date of Closing, reasonable wear and tear excepted.

C. At Closing, Seller shall transfer good and marketable title to the Property free and clear of all liens and encumbrances of every kind, nature, and description, except for the Permitted Exceptions.

D. Purchaser obtaining, at Purchaser's sole cost and expense, all necessary approvals and permits from applicable governing bodies and regulatory agencies to utilize the Property for Purchaser's intended purpose, including, but not limited to, a rezoning of the Property for Purchaser's intended use, and the final disposition of any and all appeal(s) that may be filed in connection with such approvals and permits by the applicable judicial or administrative body. Following the execution of this Contract, Purchaser shall file application(s) with the appropriate governmental agencies to approve the intended use of the Property. Seller agrees to cooperate with and assist Purchaser in filing and processing said application(s), including, but not limited to, the execution of the application form(s) and

other required documents. Seller shall not be responsible for any monetary payments for fees associated with any rezoning or permitting process.

14. **DEFAULT:**

Except as otherwise provided herein, if Seller is not in default pursuant to any of the terms of this Contract and Purchaser fails to purchase the Property or to perform any of the covenants, conditions, or warranties of this Contract, Seller, at Seller's option, may proceed at law or in equity to enforce Seller's legal rights under this Contract. If Seller for any reason fails to perform any of the covenants, conditions, or warranties of this Contract, Purchaser shall at its option (a) waive the nonperformance and proceed with Closing or (b) have the remedy of specific performance of this Contract.

15. **AVAILABILITY OF FUNDING:**

The obligations of Purchaser under this Contract are subject to the availability of funds lawfully appropriated annually for its purposes for public transit by the Board of County Commissioners and/or the availability of funds through contract or grant programs. In the event that such funds are not appropriated or are terminated during the term of this Contract, Purchaser shall have the option of terminating this Contract and all covenants and obligations hereunder by providing thirty (30) days written notice to Seller. If Purchaser elects to terminate this Contract, all rights and liabilities of the Parties arising under this Contract shall terminate.

16. **MISCELLANEOUS:**

A. **Governing Law:**

This Contract shall be governed by and construed in accordance with the laws of the State of Florida.

B. **Binding Effect:**

This Contract shall be binding upon and inure to the benefit of the Parties hereto, and their respective heirs, personal representatives, successors, and assigns. This Contract supersedes all prior negotiations, understandings, representations, or agreements, both written and oral. D. Multiple Counterparts:

This Contract may be executed in more than one counterpart, all of which taken together shall constitute one and the same original, and the execution of separate counterparts by Seller and Purchaser shall bind Seller and Purchaser as if they had each executed the same counterpart.

Federal/State law(s), administrative ruling(s), Manatee County Comp Plan/Land Development Code, ordinances, resolutions, policy

Comp Plan - Goal 11.3 - Reduces flooding and improves surface water quality.

**BACKGROUND/DISCUSSION**

- The original Wares Creek project was approved in the FY 1990-FY 1995 CIP, with funding scheduled to begin in FY 1995. The first costs associated with the project were for cost sharing with the Army Corp of Engineers for a study of the Wares Creek project. In later CIPs, funding was scheduled for design costs and limited land acquisition costs.
- The subject property is located at 1529 29<sup>th</sup> Avenue West and is improved with a single family 3 bedroom, 2 bathroom residence on a 6,890 square foot lot.
- A 811 square foot Access and Maintenance Easement is required for maintenance of the Wares Creek drainage. The area of the easement will be used for "clearing and snagging" to ease the flow of water in Wares Creek. The property within the easement will remain viable for use by the owner in that non-permanent items could be placed within this area.
- An updated appraisal report prepared by L. Burl Wilson, Jr., MAI in February 2009, determined the value of the easement to be 70% of fee value. The value of the land within the part taken is calculated at \$3.00 per square foot times 70%, for a total of \$1,750 (rounded). Within this easement area, improvements such as natural vegetation exist which serve as a buffer along the creek and a portion of a metal shed. The improvements were valued at \$2,600. Two hundred dollars (\$200) was added to replace the metal shed that is partially within the easement. Total appraised value of the Access and Maintenance Easement is \$4,550.
- The owners have executed a contract at the appraised amount of \$4,550, however, they are concerned about possible damage or loss to an existing banyan tree within the easement. The owners have stipulated in the contract that they would like a two-year warranty on the tree. The warranty period would begin on the date of the completion of the construction activities within the easement. If the tree were to be damaged or lost, an Arborist would be hired to prove the loss or damage to the tree was a result of the construction activities for the Wares Creek project. If it is agreed to by all parties that the loss/damage was a result of the project, the County would then pay the Seller \$10,000 which includes the value of the tree, tree removal and replacement of the tree by the Seller.
- Contract at the appraised amount of \$4,550 is hereby submitted to the BCC for execution.
