Date: January 21, 2011
Subject: Link from Riverdale to Bennett Park - B11010117

During Commissioner Comments at the January 11th Board of County Commissioners meeting, Commissioner McClash commented that he met with the community who inquired whether there would be a link from Riverdale to Bennett Park. There will be no direct link from the Riverdale subdivision to Bennett Park because there are other affected private properties between them, including an unnamed creek. There will be two main entrances to Bennett Park and those will be accessed from Cypress Creek Boulevard/Kay Road.

Should you have any questions, please call me at extension 6001. Thank you.
