Barbara A. Redmond, Manager, EMS Business Operations x7874. Authorized by Ronald J. Koper, Jr., Acting Deputy Director, Public Safety x3563.

Action Requested

Adoption of Resolution R-13-007 to remove uncollectible accounts for ambulance services totaling \$150,657.15.

Enabling/Regulating Authority

Generally accepted accounting principles.

Background Discussion

Bill processing for County ambulance services has been contracted to Per Se Technologies Services Inc. (PST Services, Inc.), a McKesson Company since March 1, 2005. After PST Services, Inc., has made a reasonable effort to collect on an account, the account is turned over to Merchants Association Collection Division, Inc. (MAF), collection agency. These accounts will now be pursued by MAF collection agency. PST Services, Inc., removes the accounts from the accounts receivable ledger as an uncollectible amount. To maintain consistency and for accounts receivable reconciliation purposes, it is recommended that these amounts also be removed from the accounts receivable ledger for Manatee County maintained by the Clerk of Circuit Court, County Finance Department. Writing these accounts off throughout the year in conjunction with our billing contractor will allow a more accurate statement of the County's accounts receivable. Attachment A, charges being written off are from FY10-FY12. Attachment B, four (4) accounts, totaling \$1,195.36 from FY 10 and FY12 are being written off which cannot be sent to MAF Collection Agency due to insufficient patient demographics. Attachment C provides details of the EMS adjustment totals for November 2012.
