NOW, THEREFORE, KNOW ALL MEN

1. That the Developer, in consideration of the County's approval of the proposed Project, and for other valuable consideration, hereby agrees to duly construct and complete the Required Improvements and to otherwise comply fully with the Land Development Code, any conditions of the Project's approval, and all other applicable regulations, requirements and agreements.
2. That in consideration of the foregoing, it is hereby mutually AGREED as follows:

In the event the County should exercise such right, the County shall have the unqualified right to draw funds for the purpose of construction and completing the Required Improvements, or causing the same to be done, and for paying costs incidental to the exercise of its rights hereunder, in such amount as the County shall in its sole discretion determine, in accordance with the terms of the Letter of Credit.
  - (c) The Developer, his successors and assigns, hereby grants a temporary easement over property in the Project as necessary to allow the County to complete the Required Improvements.

  4. The Developer understands and agrees that in the event that the Required Improvements are not constructed or installed in the manner or time consistent with this Agreement, the County shall withhold further permits or approvals for the Project until the Required Improvements have been completed or adequate progress, as determined by the Board of County Commissioners, toward completion of the Required Improvements has been demonstrated.
  5. Upon the County's completion of private improvements, the improvement shall be transferred to the Homeowner's Association or that entity set up in the deed restriction to be responsible for ongoing maintenance of the improvements.
