

July 30, 2013 - Regular Meeting  
Agenda Item #58

Subject

Landfill Tipping Fee Waiver - Morgan Johnson Creek

Briefings

None

Contact and/or Presenter Information

Sherri Robinson, Assessment Coordinator - x7334

Jeff Streitmatter III, P.E., Project Management Div. Manager

**APPROVED** in Open Session

Manatee County Board of County  
Commissioners

Action Requested

Authorization for the Chairman to waive the County Landfill tipping fees in the amount of approximately \$3,050.00 by permitting the contractor for the Morgan Johnson Creek Stormwater Sediment Removal Project to haul the sediment from Morgan Johnson Creek to the County Landfill for use as daily cover material which will offset purchase and use of other daily cover purchased annually by Landfill Operations.

Enabling/Regulating Authority

Solid Waste Comprehensive Plan and Solid Waste Franchise Agreement.

Background Discussion

- August 24, 2012, the BCC approved a Pilot Stormwater Discharge Maintenance Program. The program objective is to clean sediment at each of the stormwater outfall pipes discharging into any public navigational channel.
- The specs and plans for Morgan Johnson Creek are currently in Purchasing and should be advertised within the next couple weeks. It is anticipated that approximately 50 cubic yards of sediment will be removed. This sediment will be dewatered in order to pass the paint filter test before transporting to the landfill.

County Attorney Review

Not Reviewed (Utilizes exact document or procedure approved within the last 18 months)
