Enabling/Regulating Authority

Children's Services Ordinance #91-42

Background Discussion

- 11/06/90 voters of Manatee County passed a referendum supporting a dedicated millage to enhance services to children in Manatee County.
- Manatee County Ordinance #91-42 was adopted establishing a thirteen member Children's Services Advisory Board, and defining the usage of the dedicated millage.
- At a Joint Work Session with The Board of County Commissioners and Children's Services Advisory Board, staff was directed to proceed with coordinating a Children's Services Summit to be held at The Manatee County Civic Center in the early spring of 1994.
- Since this time Eighteen (18) Children's Summits have taken place. Last year's Summit was attended by an estimated 7,000 people.
- The Summit provides a great forum for over 130 key stakeholders to come together, during a one day event, to promote awareness of community resources, network with other family service providers, and to help families who are in need find appropriate services.
- A representative of The Summit Planning Committee will be present to accept the Proclamation.
