Dear Property Owner:

The County Commissioners Annual Budget Hearings provide you the opportunity to review and comment on the budgetary proposals being considered for adoption by your Board of County Commissioners.

Since these hearings are held to address budgetary issues, they are not the forum to question your property assessments. If you feel that the assessed value of your property is inaccurate or if you believe that you have not received an exemption to which you may be entitled, you should contact my office immediately. Every effort will be made to answer your questions and address your concerns. If you desire to file a petition with the Value Adjustment Board, it must be received at the Clerk of Circuit Court, Board Records by 4:30 P.M., September 13, 2013. Information regarding your parcel as well as comparable parcels that may assist in substantiating your estimate of assessed value can be obtained online at www.manateepao.com.

Thank you for your interest in this hearing and we welcome your participation in this aspect of your county government.

Sincerely,

A handwritten signature in cursive script that reads "Charlie Hackney".
