Mr. Schulhofer,

Thanks so much for any help you may give us. I am attaching a copy of the 501C3 letter for Wakeland PTO's tax exempt status. Also, could we get in line for 25 laptops? We could make sure that each of the teachers at our sister schools in Guatemala have laptops as well as the students going to High School next year. Desktops would be impossible to transport I am afraid. Wakeland has an elementary sister school and Johnson Middle has an equivalent sister school. However, all of the kids come from a mountainous area in the Central Highlands. For more information, please go to Facebook page escuelashermanas.org or Google my name along with Guatemala for newspaper articles.

Again, thanks for any help you can give us. And, please let me know if you need more information. I can make hard copies and bring them, if that would be preferable.

Adoption of Resolution, R-13-209, authorizing donation to City of Bradenton.

Adoption of Resolution, R-13-210, authorizing donation to St. Johns M. B. Church.

Adoption of Resolution, R-13-211, authorizing donation to Wakeland school.

Enabling/Regulating Authority

Policy Determination: Florida Statute 274.05 - Classification of property as surplus property.

Background Discussion

- Appropriate memorandum and excess lists were sent to all Department Directors via the iNet.
- Each of the computers listed on the surplus list have been examined by Information Technology Department staff. Based on information available, all are missing key components, i.e., Windows Operating System, hard drives, memory, RAM, etc., which make them unusable; or it was determined that it is uneconomical to make them capable of handling the current version of the Windows Operating System or other software.
- Surplus radios listed have been approved by the Public Safety Radio Shop for disposal.

- Equipment sold at auction generates revenue for the County general fund, and a percentage of generated revenue to Public Works for administrative fees.
