

Commissioners, you received this email yesterday from FAC and I was told it was discussed at yesterday's meeting. Please let Sheri or me know if you wish to register to attend the summit.

Thanks,  
*Marianne*

## KEYNOTE

City & County of Denver  
**Marijuana Czar**  
**Ashley Kilroy**

Ashley Kilroy's insights and expertise implementing medical marijuana regulations in a local government framework make her uniquely qualified to address city and county leaders as they grapple with the

best approach for their communities.

For the past four years, Kilroy has been responsible for the administration and implementation of medical and retail marijuana policies for the City and County of Denver, Colorado, overseeing and coordinating all marijuana-related activities of various city agencies, employees, boards and commissions.

## agenda

### WHERE ARE WE NOW

Director of the Florida Department of Health's Office of Compassionate Use **Christian Bax** will provide an update on steps taken by DOH in regulating & implementing medical marijuana in Florida.

### FROM SEED TO SALE

Learn from medical marijuana experts about all aspects of the industry, including cultivation, processing, prescriptions and distribution.

### LUNCH & LESSONS

Join **Ashley Kilroy** from Denver as she shares her expertise of regulating medical marijuana in local government.

### KEEPING THE PEACE

Join law enforcement & local government experts as they discuss the inevitable challenges of medical marijuana implementation and possible solutions to maintaining safety in your community.

### MAKING THE MOST OUT OF LOCAL CONTROL

Local government attorneys will share their experiences from regulation to moratoriums in beginning to implement Amendment 2 in Florida.

### THE STATE'S TAKE

Join state officials as they discuss legislation under consideration during the session and the rule-making process already under way as a part of existing medical marijuana statutes.
