Action Requested

Adoption of Resolution R-17-106 providing for the certification of non-ad valorem assessments pursuant to the Uniform Method for the levy, collection, and enforcement of non-ad valorem assessments for annual special assessment payments due with the payment of 2017 ad valorem taxes.

Enabling/Regulating Authority

Chapter 197.3632, Florida Statutes, provides for the levy, collection, and enforcement of non-ad valorem assessments imposed after January 1, 1990.

Background Discussion

- Pursuant to Chapter 197.3632, Florida Statutes, all assessments imposed after January 1, 1990, are to be collected as non-ad valorem assessments.
- During the public hearing process for each assessment project, the Chair of the Board of County Commissioners (BCC) is authorized to execute an Agreement with the Property Appraiser and Tax Collector to take all necessary action to implement the levy, collection, and enforcement of the assessments in the amounts and times set forth in the Resolution establishing the assessment roll. Section 2 of the Agreement states the following:

"In consideration of such collection, the County hereby agrees to reimburse the Property Appraiser and Tax Collector of reasonable fees and expenses including administrative overhead allocated to collection of such special assessments. The fees and expenses shall be 1.5% of the special assessments so collected to be paid to the Property appraiser and 1.5% of the special assessments so collected to be paid to the Tax Collector."

- The Property Appraiser and Tax Collector have requested the BCC certify the non-ad valorem assessment rolls by a Resolution each year establishing the amounts to be collected for that year.
- Attached is Exhibit "A" listing the projects which have been approved to be collected as non-ad valorem assessments. Since these projects have been through the assessment process, the only requirement is that the assessment rolls be certified prior to September 15th to be placed on the 2017 tax bills.
