WHEREAS, Seller is the owner of certain real property which is located in Manatee County, State of Florida, more particularly described in **Exhibit A** attached hereto and incorporated herein by this reference (hereinafter the **Property**) and all improvements thereon; and

WHEREAS, Buyer desires to acquire the Property for the purpose of a canal and shoulder maintenance.

NOW, THEREFORE, in consideration of the aforesaid premises, the mutual covenants, promises, terms and conditions set forth herein and other good and valuable consideration, the adequacy, sufficiency and receipt of which are hereby acknowledged, the Parties agree as follows:

1. **RECITALS**: The foregoing recitals are true and correct and are incorporated herein by this reference.

2. **DESCRIPTION OF PROPERTY**: Seller shall sell and Buyer shall buy, upon the terms and conditions contained herein, unimproved real property situated, lying and being in Manatee County, State of Florida, described in attached **Exhibit A**. The legal description and sketch of the Property is incorporated into this Contract and made a part hereof.

3. **PURCHASE PRICE AND DEED**: At closing, Buyer shall pay to Seller **TEN THOUSAND FIVE HUNDRED AND NO/100 DOLLARS (\$10,500.00)** (hereinafter the **Purchase Price**), subject to adjustment upon closing as hereinafter provided. Seller shall simultaneously deliver to Buyer a good, sufficient and properly recordable Warranty Deed conveying to Buyer marketable, fee simple title to the Property, free and clear of all liens and encumbrances, executed and acknowledged by Seller, subject to restrictive covenants, reservations, easements of record and county zoning restrictions or regulations in effect, if any, except as hereinafter provided. The deed shall be in substantially the form attached hereto as **Exhibit B** and incorporated herein by this reference.

4. **EFFECTIVE DATE**: For purposes of this Contract, the **Effective Date** shall be the date upon which the Contract is approved by the Manatee County Board of County Commissioners.

5. **MORTGAGES, LIENS AND OTHER ENCUMBRANCES**: Unless otherwise provided for herein, prior to the date of closing, Buyer shall furnish to Seller an Affidavit of Ownership and Encumbrances, in substantially the form attached hereto as **Exhibit C** and incorporated herein by reference, attesting to the absence of any financing statements, claims of lien or potential lienors known to Seller and further attesting, if such is the case, that there have been no improvements to the Property for **NINETY (90)** days immediately preceding the date of closing. Seller shall complete said affidavit and return it to Buyer on or before the date of closing.

A. **Existing Encumbrances**: Seller shall convey the Property at closing, free and clear of all liens and encumbrances, subject to any restrictive covenants, reservations, easements of record, and county zoning restrictions or regulations in effect, if any, except those specifically consented to in writing by Buyer at closing. Seller shall be responsible for discharging any and all mortgage liens at or prior to closing.

B. **Construction Liens**: If the Property has been improved within **NINETY (90)** days immediately preceding the date of closing, Seller shall deliver releases or waivers of all construction liens executed by general contractors, subcontractors, suppliers and material men, in addition to Seller's lien affidavit setting forth the names of all such general contractors, subcontractors, suppliers and material men, and further reciting that, in fact, all bills for work on the subject Property which could serve as a basis for a construction lien have been paid or will be paid prior to closing.

6. **TITLE EVIDENCE**: During the period commencing **TEN (10)** days after the Effective Date and ending **TEN (10)** days prior to closing (hereinafter the **Inspection Period**) Buyer may conduct whatever title search Buyer deems necessary. If, during the Inspection Period, Buyer notifies Seller of existing title defects other than those to which the conveyance is to be made subject by the terms of this Contract and other than those for which recordable discharges are, in accordance with local custom, to be furnished at the closing, then Seller shall promptly make a diligent effort to perfect the title to Buyer's reasonable satisfaction and to the extent called for by this Contract within **THIRTY (30)** days (hereinafter the **Cure Period**) from the date Seller receives written notice of any title defect. In the event closing is scheduled to occur within the Cure Period, closing shall be extended to the first day following removal of the title defects or the termination of the Cure Period, whichever date occurs first. If any defect in title identified by Buyer is not cured to Buyer's reasonable satisfaction within the Cure Period, Buyer shall have the right to either waive such defect or withdraw its offer to purchase thereby releasing Buyer and Seller from all further obligations under this Contract.

7. **CLOSING**: This transaction shall be closed on or before **SIXTY (60)** days from the Effective Date, subject to the curative periods provided for herein, as well as other conditions of this Contract. The date and time of closing shall be mutually agreed upon between the Parties and shall occur at the following location: Manatee County Government Administration Building, 1112 Manatee Avenue West, Bradenton, Florida 34205, or at any other location agreeable to both

Parties or, if mutually agreed to by the Parties, via simultaneous electronic delivery of documents and funds. The closing may be extended by the Parties for a mutually agreeable period of time in order to complete any conditions of closing or other requirements of this Contract.

A. Conditions to Closing: Unless waived by Buyer in writing, the obligation of Buyer to close this transaction is expressly conditioned upon satisfaction of all conditions as contained within this Contract, by the date of closing. If such conditions are not so met, Buyer may elect either to terminate this Contract by written notice to Seller or close the transaction contemplated in this Contract and thereby waive Seller's performance of those conditions which have not been satisfied.

B. Documents for Closing: Seller shall deliver to Buyer a Warranty Deed, an Affidavit of Ownership and Encumbrances and such other documents as may reasonably be required pursuant to this Contract and any state or federal law, on or before the date of closing.

C. Insurance: Seller shall keep all existing coverage and insurance policies insuring the Seller or the Property against claims arising from property damage or liability, if any, in full force and effect pending the closing.

D. Condition of Property: Seller shall not commit, or permit anyone else to commit, any loss, destruction or damage to the Property, which has not been repaired or restored by Seller prior to the date of closing. Seller shall not permit any adverse changes in the condition of the Property from the Effective Date of this Contract to the date of closing, except for reasonable wear and tear. If Buyer so requests, a walk-through of the Property shall be scheduled and conducted prior to the closing to assure compliance with this Contract.

E. Closing Agent: American Government Services; shall serve as the Closing Agent. All funds held by the Closing Agent under this Contract, if any, shall be placed in a non-interest bearing account and shall be disbursed in accordance with this Contract.

8. TAXES AND CLOSING EXPENSES:

A. The Closing Agent shall withhold from Seller's proceeds at closing an amount equal to Seller's pro rata share of real estate taxes and special assessments, if any, allocated to the Property as prorated to the date of closing, and such amounts shall be paid to the Manatee County Tax Collector.

B. If applicable, Seller shall, in accordance with the statutory requirements set forth in Section 196.295, Florida Statutes, deposit in escrow with the Manatee County Tax Collector an amount equal to the current year's taxes allocated to the Property prorated to the date of closing, same being the date upon which transfer of title shall occur. This amount shall be based upon the current assessment and millage rates on the Property owned by Seller. Under either this subparagraph or subparagraph A above, where taxes are prorated based upon the preceding year's tax assessment, the Parties agree to re-prorate

taxes, with maximum discount, upon the request of either Party within **SIX (6)** months from the date the taxes for the year of closing have been certified by Manatee County.

C. Costs to be Paid by Seller: Seller shall pay costs of curing title defects and Seller's attorney's fees, if any.

D. Costs to be Paid by Buyer: Buyer shall pay the cost of recording the deed, totaling **THIRTY FIVE AND 50/100 DOLLARS (\$35.50)**. Buyer shall also pay for an owner's title insurance policy and related title costs, closing agent fees and Buyer's attorney's fees, if any. Buyer shall pay the deed documentary stamp taxes due on this transfer, totaling **SEVENTY THREE AND 50/100 DOLLARS (\$73.50)**.

9. ASSIGNABILITY: The Parties may not assign this Contract or any right or obligation of this Contract without prior written consent of the other Party.

10. AMENDMENTS: This Contract may not be amended, canceled, changed, discharged, modified, rescinded, supplemented or terminated other than as expressly provided herein, except by an instrument in writing executed by all Parties hereto. All amendments are subject to acceptance and approval by the Manatee County Board of County Commissioners.

11. ATTORNEYS' FEES AND COSTS: Each Party shall be solely responsible for paying its attorneys' fees and costs in any dispute, litigation, dispute resolution proceeding, settlement negotiation or pre-litigation negotiation arising under this Contract.

12. AUTHORIZATION: Each Party represents to the other that such Party has the requisite power and authority under all applicable laws to enter into this Contract, that all of the procedural requirements imposed by law upon each Party for the approval and authorization of this Contract have been properly completed, and that the persons who have executed the Contract on behalf of each Party are authorized and empowered to execute said Contract.

13. AVAILABILITY OF FUNDING: The obligations of the Buyer under this Contract are subject to the availability of funds lawfully appropriated annually for its purposes by the Manatee County Board of County Commissioners and the availability of funds through contract or grant programs. In the event that such funds are, in good faith, not appropriated or are terminated during the term of this Contract, Buyer shall have the option of terminating this Contract and all covenants and obligations hereunder by providing **THIRTY (30)** days' written notice to the Seller. If Buyer terminates this Contract due to a lack of funding pursuant to this provision, all rights and liabilities of the Parties arising under this Contract shall terminate.

14. BINDING EFFECT: This Contract shall be binding upon and inure to the benefit of the Parties hereto and their respective heirs, personal representatives, successors and permitted assigns. The covenants, warranties, representations, indemnities and undertakings of Seller as set forth in this Contract will survive delivery and recording of the deed and possession.

15. **BROKER'S FEES**: Neither Party will pay a commission to any broker in connection with the sale and purchase of the Property. Both Parties warrant that they have assumed no obligation to pay any such commission in connection therewith.

16. **DEFAULT AND REMEDIES**: Except as otherwise provided herein, if Seller is not in default pursuant to any of the terms of this Contract and Buyer fails to purchase the Property or to perform any of the covenants, conditions or warranties of this Contract, Seller, at Seller's option, may proceed at law or in equity to enforce Seller's legal rights under this Contract. If Seller for any reason fails to perform any of the covenants, conditions or warranties of this Contract, Buyer shall, at Buyer's option, (a) terminate this Contract by written notice to Seller or (b) waive the nonperformance and proceed with closing or (c) have the remedy of specific performance of this Contract.

17. **DOCUMENTS AND REPORTS**: Within TEN (10) days after the Effective Date of this Contract, Seller shall provide to Buyer copies of all written reports in Seller's possession relating to the environmental condition of the Property; all boundary surveys of the Property; any existing title policy or commitment pertaining to the Property.

18. **ENTIRE CONTRACT**: This Contract and the Exhibits attached hereto contain the final and entire agreement between the Parties with respect to the sale and purchase of the Property and are intended to be an integration of all prior negotiations and understandings. This Contract supersedes all prior negotiations, understandings, representations or agreements, both written and oral. Buyer and Seller shall not be bound by any terms, conditions, statements, warranties or representations, written or oral, not contained herein. No change or modification of this Contract shall be valid unless the same is in writing and signed by the Parties hereto.

19. **ENVIRONMENTAL SITE ASSESSMENT**: During the Inspection Period, Seller will permit representatives of Buyer to enter upon the Property for the purposes of conducting tests, inspections or examinations that Buyer desires in regard to the environmental conditions of the Property, including, but not limited to, tests, borings, percolation tests and other tests, inspections or examinations that Buyer may order, at its expense, to determine subsurface or topographic conditions of the Property. If Buyer, in its sole and absolute discretion, concludes from the results of the tests or for any other reason or factor that the Property is not feasible or desirable for Buyer's intended purpose, Buyer shall notify Seller in writing of Buyer's conclusion on or before the end of the Inspection Period and this Contract shall then be deemed terminated and of no further force and effect, and no Party shall have any rights or claims against one another which might otherwise result from this Contract, unless Buyer and Seller negotiate and enter into a mutually acceptable amendment to this Contract to address such concern.

20. **FLORIDA LAW AND MANATEE COUNTY VENUE**: This Contract shall be governed, construed and enforced in accordance with the laws of the State of Florida. Venue for resolution of all disputes, whether by mediation, arbitration or litigation, shall lie in Manatee County, Florida.

21. **FORCE MAJEURE**: No Party shall be required to perform any obligation under this Contract or be liable to the other for any delay or failure to perform or damages for said delay

or failure so long as performance or non-performance of the obligation is delayed, caused or prevented by an act of God, an act of terrorism, a civil commotion, an earthquake, a failure or disruption of utility services, a fire, a flood, a hurricane, an insurrection, a sinkhole, a tornado, an unusual transportation delay, or other like cause, and which by exercise of reasonable diligent effort, the non-performing party is unable in whole or in part to prevent or overcome (hereinafter **Force Majeure Event**). All time periods shall toll for the period that the Force Majeure Event prevents performance under this Contract, provided, however, if such Force Majeure Event continues to prevent performance under this Contract more than **FOURTEEN (14)** days beyond the date of closing, then either party may terminate this Contract by delivering written notice to the other, thereby releasing Buyer and Seller from all further obligations under this Contract.

22. **HEADINGS:** The headings contained in this Contract are for convenience and reference and shall not affect the meaning or interpretation of this Contract.

BEFORE ME, the undersigned notary public, personally appeared John Falkner, who being first duly sworn, deposes and says that, to the best of his knowledge and belief:

1. I have personal knowledge of all matters set forth in this affidavit.
2. Rye Ranch, LLC, a Florida limited liability company (hereinafter the **Grantor**) is the owner of the fee simple title to certain real property (hereinafter the **Property**) situated in Manatee County, Florida, more particularly described in **Exhibit A** attached to this affidavit and by this reference made a part of this affidavit, and has full authority to sell or encumber the Property.
3. I make this affidavit with the authority of and on behalf of Grantor.
4. Grantor has sole and exclusive possession of the Property.
5. Neither Grantor's title to nor possession of the Property has ever been disputed or questioned and I am not aware of any facts by reason of which the title to or possession of the Property or any part of it or any personal property located on it might be disputed or questioned or by reason of which any claim to the Property or any portion of it or any personal property located on it might be adversely asserted.
6. No person or entity other than Grantor claims or is presently entitled to the right to possess or is in possession of the Property and there are no tenancies, leases, or other occupancies that affect the Property.
7. There are no disputes concerning the location of the boundary lines of the Property.
8. Grantor has not violated any of the restrictions, declarations or covenants in connection with the Property, nor know of any prior owner violating said restrictions, declarations or covenants.
9. There are no outstanding or unpaid taxes or assessments (pending or certified) due to any governmental agency for improvements to or for the benefit of the Property for which the Grantor is responsible or any unpaid or unsatisfied mortgages, claims of lien, or other matters that constitute or could constitute a lien or encumbrance against the Property or any improvements on it or any part of it or against any personal property located on it. Should any bill be found which

relates to the period of the Grantor's possession, the Grantor shall pay such bill upon demand. No notice has been received regarding future pending zoning by any government instrumentality.

12. There are no matters pending against the Grantor that could give rise to a lien that would attach to the Property or cause a loss of title or impair the title between the effective date of the title insurance commitment and the recording of the interest to be insured by the title insurance company, and the Grantor has not and will not execute any instrument that would adversely affect the title or interest to be insured in the Property, including but not limited to mortgaging or conveying the Property or any interest in it or causing any liens to be recorded against the Property or the Owner.

13. There has been no labor performed or materials furnished on or to the Property during the past **NINETY (90)** days, or, if labor has been performed or materials furnished during such **NINETY (90)** days, all persons performing or furnishing the same have been fully paid and there are no unpaid bills for labor or materials for which valid liens could be filed.
