Background Discussion

VK Summerwoods LLC has filed for a third amendment to the Amended and Restated Local Development Agreement (LDA) for Summerwoods. The 268.14 acre site is located south of Moccasin Wallow Road and west of U.S. 301 N. in Manatee County, and is zoned Planned Development Residential (PDR).

The property is approved for 562 total single-family, detached residential units.

The adopted LDA primarily addresses matters related to transportation impact mitigation, dedication of rights-of-way, duration of transportation concurrency findings, and related impact fee credit provisions.

It has been previously amended to update the number and types of dwelling units and to extend milestone

dates and criteria for commencing the project.

The applicant proposes an amendment to the LDA internal dates for consistency with legislative extensions provided for Summerwoods transportation concurrency (Certificate of Level of Service Compliance or CLOS).

This is the first of two required public hearings for the amendment, and no action is requested. A second hearing is scheduled for December 12, 2017.

**THIRD AMENDMENT TO SUMMERWOODS AMENDED AND  
RESTATED LOCAL DEVELOPMENT AGREEMENT**

**THIS THIRD AMENDMENT TO SUMMERWOODS AMENDED AND RESTATED LOCAL DEVELOPMENT AGREEMENT (“THIRD AMENDMENT”)** is made and entered into this \_\_\_\_ day of \_\_\_\_\_, 2017, by and between **MANATEE COUNTY**, a political subdivision of the State of Florida, whose address is 1112 Manatee Avenue West, Bradenton, Florida 34205 (the “County”) and **VK SUMMERWOODS LLC**, a Florida limited liability company, whose address is 701 South Olive Avenue, Suite 104, West Palm Beach, Florida 33401 (the “**Applicant**”).

**WITNESSETH:**

**WHEREAS**, County and Applicant’s predecessor in title are parties to that certain Summerwoods Amended and Restated Local Development Agreement, dated April 24, 2012, as recorded in OR Book 2417, Page 6603, of the Public Records of Manatee County, Florida (the “**LDA**”), which LDA concerns a 268.14± acre parcel of real property located in Manatee County and generally bounded by Moccasin-Wallow Road to the north, 115<sup>th</sup> Avenue East to the east, Buffalo Canal to the south, and Sawgrass Road (future) to the west (the “**Project Site**”); and

**WHEREAS**, the LDA was amended by that certain First Amendment to Summerwoods Amended and Restated Local Development Agreement, dated September 4, 2014, as recorded in OR Book 2536, Page 3028, of the Public Records of Manatee County, Florida (the “**First Amendment**”); and

**WHEREAS**, the LDA was amended by that certain Second Amendment To Summerwoods Amended and Restated Local Development Agreement, dated June 21, 2016, as recorded in Instrument No. 20164101137, OR Book 2626, Page 541, of the Public Records of Manatee County, Florida (the “**Second Amendment**”); and

**WHEREAS**, the parties desire to further amend the LDA to delete paragraph 9 of the LDA and replace it with a new paragraph 9 to reflect extension of the CLOS expiration date pursuant to §252.363, F.S., as more fully set forth herein.

**NOW THEREFORE**, in consideration of the mutual promises and covenants contained herein, and other good and valuable consideration, the parties hereby agree as follows:

1. **Recitals True and Correct.** The recitals set forth above are true and correct and are incorporated herein by reference.

2. **Extended CLOS.** Paragraph 9 of the LDA, as amended, is hereby deleted and replaced by the following new Paragraph 9 to reflect extension of the CLOS pursuant to 252.363, F.S. (tolling and extension of permits Hurricane Matthew – Executive Orders 16-230, 16-274, 17-16, and 17-67) (confirmed by Manatee County letter dated July 7, 2017, from Susan Barfield to John Neal):

**Extended CLOS.** Applicant and County agree to the extension of each CLOS as set forth in paragraph 8 hereof to February 28, 2019 by payment from Applicant to County of the collective sum of Two Hundred Twelve Thousand Five Hundred and Sixty Seven Dollars (\$212,567), which sum is the prorated amount due for an annual extension calculated at the rate of One Hundred Dollars (\$100) per unit per year. Such sum shall be payable partially by waiver of the impact fee credits awarded in paragraph 7 of this Development Agreement, with the balance payable in cash to County within sixty (60) days of the Effective Date of this Development Agreement. Provided that Applicant has recorded a record plat for not less than one hundred and sixty eight (168) residential units within the Project Site prior to February 28, 2019, the Applicant may extend the maturity date of the CLOS on a one time basis for up to an additional five (5) years by paying the County an extension fee or as otherwise permitted by law. The “Extension Fee” shall be (i) due and payable within sixty (60) days of the then existing CLOS expiration date (i.e., February 28, 2019), and (ii) calculated at the rate of One Hundred Dollars (\$100) for each unplatted single family unit per year of extension, but not in excess of five (5) years. The right to obtain an extension of the CLOS shall be conditioned upon the Applicant complying with the terms of this Development Agreement, and providing the County written notice of the requested extension, a statement as to the number of single family residential units for which the extension is requested, and timely payment of the Extension Fee. Any CLOS not properly extended as permitted herein shall terminate at its then date of expiration.

3. **Recording of this Third Amendment.** The Clerk of the Circuit Court of Manatee County, as Clerk to the Board of County Commissioners (the “Clerk”) shall record this Third Amendment in the Public Records of Manatee County, Florida, no later than fourteen (14) days after the execution by all parties. Applicant shall bear the expense of recording this Third Amendment.

4. **Conflict.** In the event of any conflict between the terms, provisions and conditions of this Third Amendment and the LDA, the First Amendment or the Second Amendment, the terms, provisions and conditions of this Third Amendment shall control.

5. **Effective Date.** This Third Amendment shall become effective immediately upon the occurrence of all the following:

- (a) The recordation of a fully executed original of this Third Amendment in the public records of Manatee County, Florida, as provided in Paragraph 3 hereof; and
- (b) The expiration of any and all appeal periods for any challenge to the approval of this Third Amendment.

6. **No Other Amendment.** Except as provided for in this Third Amendment, all other provisions of the LDA as amended by the First Amendment and the Second Amendment shall be unaffected by this Third Amendment, and shall remain in full force and effect.

**WHEREFORE**, the parties hereto have executed this Third Amendment as of the date set forth above.

**SUMMERWOODS**

**AMENDED AND RESTATED LOCAL DEVELOPMENT AGREEMENT**

This **AMENDED AND RESTATED LOCAL DEVELOPMENT AGREEMENT** ("Development Agreement") is made and entered into this 24 day of APRIL, 2017,<sup>2</sup> by and between **MANATEE COUNTY**, a political subdivision of the State of Florida, whose address is 1112 Manatee Avenue West, Bradenton, Florida 34205, (the "County") and **CLAUDE YOUNG and CYNTHIA YOUNG**, Husband and Wife, whose address is c/o 8210 Lakewood Ranch Blvd, Bradenton, Florida 34202, (the "Applicant").

**WITNESSETH:**

**WHEREAS**, Applicant holds legal title to a 268.14± acre parcel of real property located in Manatee County and generally bounded by Moccasin-Wallow to the north, 115<sup>th</sup> Avenue East to the east, Buffalo Canal to the south, and Sawgrass Road (future) to the west (the "Project Site"), the complete legal description for which is attached hereto as Exhibit "A"; and

**WHEREAS**, the parties previously executed and delivered a Local Development Agreement, dated October 1, 2009 and recorded in OR Book 2315, Page 2573 of the Public Records of Manatee County, Florida, concerning the development of 302 single family residential units on a portion of the Project Site, (the "Original Development Agreement"), and

**WHEREAS**, on June 21, 2010, Applicant received zoning and preliminary site plan approval from Manatee County pursuant to Ordinance No. PDR-09 (Z) (P) to allow the development of a total of 562 single family residential units to be constructed on the Project Site (the "Project"); and

**WHEREAS**, the Project **now includes the 302** single family residential units approved as part of the Original Development Agreement and an additional 260 single family residential units approved as part of the Project for a total of **562 single family residential units; and**

**WHEREAS**, the Applicant intends to dedicate or convey certain additional lands and, by such conveyances, to make a proportionate share contribution to the construction of certain improvements to the public facilities in the vicinity of the Project Site, all such lands and improvements intended to serve the needs of and address the impacts created by the Project (the "Improvements"); and

**WHEREAS**, the Improvements contemplated hereunder have been included within this Development Agreement for the purpose of addressing all aspects of concurrency for the Project and the provision of adequate public facilities and services needed to support such new development; and

**WHEREAS**, Section 163.3180, Florida Statutes, requires that public facilities and services needed to support new development shall be available concurrent with the impact of such new development; and

**WHEREAS**, in support of its desire to obtain an extended Certificate of Level of Service Compliance (a "CLOS") for the Project, Applicant intends to make certain payments and undertake certain actions as hereinafter specified, and guarantee the performance of same in an enforceable Development Agreement as authorized by Sections 163.3220 through 163.3246, Florida Statutes; and

**WHEREAS**, the County has made a determination that a CLOS for the Project can be issued and later extended since the Project will not result in a reduction of the level of service standards adopted by the Comprehensive Plan of Manatee County (the "Comprehensive Plan") for solid waste, stormwater, law enforcement, public safety, and parks (with public school facilities, potable water and sanitary sewer deferred to the time of final site plan application); and

**WHEREAS**, the County has made a determination that a CLOS for transportation cannot be issued for the Project unless certain improvements, including without implied limitation dedication of real property and/or a proportionate share contribution to the construction of facilities, occur in the vicinity of the Project Site as more fully specified herein; and

**WHEREAS**, the Land Development Code (the "LDC") provides that a CLOS for the Project may be issued contingent upon the payment of proportionate share mitigation and/or construction of the necessary public facilities and services being guaranteed in an enforceable Development Agreement entered into pursuant to Sections 163.3220 through 163.3243, Florida Statutes; and

**WHEREAS**, in accordance with the applicable Florida Statutes and Section 510.9.2.1.1 of the LDC, the County is authorized to issue a CLOS for a term greater than three (3) years subject to the required public facilities and services being guaranteed in a Development Agreement; and

**WHEREAS**, pursuant to Section 163.3220, Florida Statutes, et seq., the County is authorized to enter into a Development Agreement; and

**WHEREAS**, certain of the Improvements to be constructed or dedicated or participated in by Applicant create additional capacity above that required by the Project for concurrency purposes and are therefore eligible for partial impact fee credits pursuant to Chapter 8 of the LDC; and

**WHEREAS**, the satisfaction of road concurrency obligations through proportionate share mitigation and the issuance of an extended CLOS for the Project are appropriate in this instance because the list of remaining concurrency improvements is relatively small, and some of the remaining concurrency improvements will not be needed until a substantially later date; and

**WHEREAS**, the County intends to grant to Applicant impact fee credits (excluding potable water and wastewater facility investment fees and public school facilities) for the design, permitting, construction, and/or dedication of such Improvements in such amounts as are authorized by the County's impact fee ordinance, as permitted herein; and

**WHEREAS**, the first of two required public hearings on this Development Agreement was held by the Planning Commission on July 14, 2011, at which time the Planning Commission has reviewed this Development Agreement, has received the

recommendation of the Planning staff, and has found the Development Agreement to be consistent with the Manatee County Comprehensive Plan; and

**WHEREAS**, the second required public hearing on this Development Agreement was held by the Board of County Commissioners (the "Board") on SEPT 1, 2011, at which time the Board approved this Development Agreement and authorized the Chairman to execute the Development Agreement on behalf of Manatee County.

**NOW, THEREFORE**, in consideration of the mutual promises and covenants contained herein, the parties hereby agree as follows:
