

MEMORANDUM

To: Board of County Commissioners
From: Dan Schlandt, Deputy County Administrator
Date: 1/17/2018
Subject: 4th Quarter 2017 Grant Amendments and Donations/Gifts

The Board adopted Resolution 10-099 granting the County Administrator the authority to approve, sign and submit grant applications for County programs and projects. If the grant award is received, such awards and agreements are presented to the County Commission for initial acceptance along with any matching funds required.

Unless prohibited by federal, state law, or agency regulations, the County Administrator may sign amendments to grant awards and all subgrant award/agreements to those grants already accepted by the Board, with certain exceptions such as: requirements for additional matching funds, the amendment of an ordinance or resolution, an agreement with a third party not previously approved, or any action inconsistent with County policy. These exceptions require Board approval.

The Board adopted Resolution 11-058 granting the County Administrator the authority to accept gifts of real, personal, and intangible personal property. Unless prohibited by federal, state law, or agency regulations the County Administrator may sign for donations/gifts valued at less than ten thousand dollars. Donations/gifts amounting to more than ten thousand dollars require board approval.

Attached is a listing of the grant amendments, subgrant awards, interlocal agreements, and donations/gifts that were approved by the Administrator during the period October-December 2017.

Electronic copies of this memo and the actual grant documents are available on the "S Drive" under BCC Administration in a folder labeled "Grant Amendments" and are also provided to Board Records for the formal record. The policies and procedures are available on the iNET under the "Policies and Procedures" tab. Grant Processing Procedures: numbered E.2 and 502.000. Acceptance of Gifts and Donations: numbered F.2 and 602.003
