WHEREAS, the parties entered into an agreement signed by the COUNTY on January 23, 2007; and amended and signed by the COUNTY on August 21, 2007 (herein the "Agreement"); and

WHEREAS, LESSEE assumed certain obligations with respect to the property and the COUNTY funded certain expenses under the Agreement; and

2. **USE.** LESSEE shall use the PROPERTY solely for the purpose of building, developing and operating a community farm and providing community programs in accordance with the program outlined in Exhibit "B" attached (herein the "PROGRAM") and shall maintain recognition in the State of Florida and with the United States Department of Treasury and Internal Revenue Service as a Tax Exempt Organization throughout the term of this Lease.

3. **TERM.** The term of this Lease shall commence on the 19th day of May, 2009 and shall terminate on the 30th day of September, 2024 at 11:59 P.M. unless earlier terminated as provided herein. BACKGROUND/DISCUSSION

- Geraldson Community Farm Conceptual Management Plan, approved by the Board of County Commissioners on September 26, 2006, provided direction for the initial startup of a working community farm on the Geraldson Farm property, acquired by the County in 2005. The agreement provided for the RC&D to be retained as the contractual agent for the County to develop the farm, including a community-supported agriculture (CSA) structure.
- On January 23, 2007, the Board of County Commissioners approved a first-year funding agreement with the RC&D in the amount of \$507,000 to support the initial administrative and capital expenses of the community farming operation, available under the terms of this agreement.
- Geraldson Community Farms provides for the enrollment of subscription farming memberships on a "first come first serve" basis to receive weekly distribution of in-season vegetables grown at Geraldson Community Farm throughout the growing season (November-May). The first season there were 180 memberships, and the second season there are 200. Shares of the harvest are \$450 each.
- As the Board liaison to the Florida West Coast Resource Development Council, Inc., the Natural Resources Department has been working with RC&D to structure a long-term lease agreement which will allow the RC&D community farm program to continue to operate on the property, including allowances for the construction of farm-related buildings and improvements consistent with the Board approved Management Plan and budget. The attached lease drafted by the County Attorney's Office, provides for an initial 15 year lease period and sets forth requirements for obtaining permission for providing buildings and improvements, liability protection, accounting requirements, and terms and conditions pertaining to default or termination. The lease is patterned after similar leases with other not-for-profit organizations which are utilizing publicly-owned County property to carry out their operations.

Background Discussion

On May 19, 2009, the Board of County Commissioners approved the execution of the Geraldson's Farm Lease with FWCRC&DC to operate and manage Geraldson's Farm until September 30, 2024 (see attached).

Geraldson's Farm provides for community supported agriculture with individual subscriptions sold to provide seasonal produce, and environmental education programs, as per Exhibit B of the Lease Agreement.

Since May 2017 several non-conformance issues have been discussed with the Lessee. To date, most of these issues have not been addressed and the Property has deteriorated.

A Request for Legal Services was submitted to the County Attorney's Office to provide a termination letter and draft related documents to the Lessee due to non-conformance of the contract terms and conditions.

The Lessee was unable to cure the default items; therefore, as per Section 18 c., "Termination for default by Lessee," Section 19 a., "Lessee's failure to comply with any term, provision, (etc.) of this Agreement," and 19 b., "Lessee's failure to fulfill the Program within the time provided...", Parks and Natural Resources recommends the termination of this Agreement.
