CONTRACT FOR SALE AND PURCHASE

THIS CONTRACT FOR SALE AND PURCHASE (hereinafter the **Contract**) is made and entered into this 12th day of June, 2018, between **JAMES L. McCLINTOCK and CAROL L. McCLINTOCK**, his wife, whose mailing address is 4725 44th Avenue East, Bradenton, Florida 34203, (hereinafter the **Seller**), and **MANATEE COUNTY**, a political subdivision of the State of Florida, whose mailing address is Post Office Box 1000, Bradenton, Florida 34206 and whose street address is 1112 Manatee Avenue West, Bradenton, Florida 34205, (hereinafter the **Buyer**). Seller and Buyer are sometimes collectively referred to in this Contract as **Parties** and individually as **Party**.

WHEREAS, Seller is the owner of certain real property which is located in Manatee County, State of Florida, more particularly described in **Exhibit A** attached and incorporated in this Contract by this reference and all improvements on it; and

WHEREAS, Buyer desires to acquire the Property (as defined in paragraph 2, below) for the purpose of the proposed reconstruction of 44th Avenue East, Braden River Segment (45th Street East to 44th Avenue Plaza East).

NOW, THEREFORE, in consideration of the above premises, the mutual covenants, promises, terms, and conditions set forth in this Contract and other good and valuable consideration, the adequacy, sufficiency, and receipt of which are hereby acknowledged, the Parties agree as follows:

1. **RECITALS**: The foregoing recitals are true and correct and are incorporated by this reference.
2. **DESCRIPTION OF PROPERTY**: Seller shall sell and Buyer shall buy, upon the terms and conditions contained in this Contract, improved real property situated, lying and being in Manatee County, State of Florida, described in attached **Exhibit A**, and all improvements and fixtures on it, if any (hereinafter the **Property**). The legal description and sketch of the Property is incorporated into and made a part of this Contract.
3. **PURCHASE PRICE AND DEED**: At closing, Buyer shall pay to Seller **TWO HUNDRED NINE THOUSAND AND NO/100 DOLLARS (\$209,000.00)** (hereinafter the **Purchase Price**), subject to adjustment upon closing as provided below. Seller shall simultaneously deliver to Buyer a good, sufficient, and properly recordable Warranty Deed conveying to Buyer marketable, fee simple title to the Property, free and clear of all liens and encumbrances, executed and acknowledged by Seller, subject to restrictive covenants, reservations, easements of record and county zoning restrictions or regulations in effect, if any, except as provided below. The deed must be in substantially the form attached to this Contract as **Exhibit B** and incorporated in this Contract by this reference. The Purchase Price is inclusive of fees and costs for Seller's attorneys and experts.

4. **EFFECTIVE DATE**: For purposes of this Contract, the **Effective Date** is the date upon which the Contract is approved by the Manatee County Board of County Commissioners.

5. **MORTGAGES, LIENS AND OTHER ENCUMBRANCES**: Unless otherwise provided in this Contract, prior to the date of closing, Buyer shall furnish to Seller an Affidavit of Ownership and Encumbrances, in substantially the form attached to this Contract as **Exhibit C** and incorporated in this Contract by this reference, attesting to the absence of any financing statements, claims of lien or potential lienors known to Seller and further attesting, if such is the case, that there have been no improvements to the Property for **NINETY (90)** days immediately preceding the date of closing. Seller shall complete the affidavit and return it to Buyer on or before the date of closing.

A. **Existing Encumbrances**: Seller shall convey the Property at closing, free and clear of all liens and encumbrances, subject to any restrictive covenants, reservations, easements of record, and county zoning restrictions or regulations in effect, if any, except those specifically consented to in writing by Buyer at closing. Seller shall be responsible for discharging any and all mortgage liens at or prior to closing.

B. **Construction Liens**: If the Property has been improved within **NINETY (90)** days immediately preceding the date of closing, Seller shall deliver releases or waivers of all construction liens executed by general contractors, subcontractors, suppliers, and material men, in addition to Seller's lien affidavit setting forth the names of all such general contractors, subcontractors, suppliers, and material men, and further reciting that, in fact, all bills for work on the Property which could serve as a basis for a construction lien have been paid or will be paid prior to closing.

6. **TITLE EVIDENCE**: During the period commencing **TEN (10)** days after the Effective Date and ending **TEN (10)** days prior to closing (hereinafter the **Inspection Period**) Buyer may conduct whatever title search Buyer deems necessary. If, during the Inspection Period, Buyer notifies Seller of existing title defects other than those to which the conveyance is to be made subject by the terms of this Contract and other than those for which recordable discharges are, in accordance with local custom, to be furnished at the closing, then Seller shall promptly make a diligent effort to perfect the title to Buyer's reasonable satisfaction and to the extent called for by this Contract within **THIRTY (30)** days (hereinafter the **Cure Period**) from the date Seller receives written notice of any title defect. In the event closing is scheduled to occur within the Cure Period, closing will be extended to the first day following removal of the title defects or the termination of the Cure Period, whichever date occurs first. If any defect in title identified by Buyer is not cured to Buyer's reasonable satisfaction within the Cure Period, Buyer may either waive such defect or withdraw its offer to purchase thereby releasing Buyer and Seller from all further obligations under this Contract.

7. **CLOSING**: This transaction will be closed on or before **SIXTY (60)** days from the Effective Date, subject to the curative periods provided in this Contract, as well as other conditions of this Contract. The date and time of closing will be mutually agreed upon between the Parties and will occur at the following location: Manatee County Government Administration Building, 1112 Manatee Avenue West, Bradenton, Florida 34205, or at any other location

agreeable to both Parties or, if mutually agreed to by the Parties, via simultaneous electronic delivery of documents and funds. The closing may be extended by the Parties for a mutually agreeable period of time in order to complete any conditions of closing or other requirements of this Contract.

A. Conditions to Closing: Unless waived by Buyer in writing, the obligation of Buyer to close this transaction is expressly conditioned upon satisfaction of all conditions as contained within this Contract, by the date of closing. If such conditions are not so met, Buyer may elect either to terminate this Contract by written notice to Seller or close the transaction contemplated in this Contract and thereby waive Seller's performance of those conditions which have not been satisfied.

B. Documents for Closing: Seller shall deliver to Buyer a Warranty Deed, an Affidavit of Ownership and Encumbrances, and such other documents as may reasonably be required pursuant to this Contract and any state or federal law, on or before the date of closing.

C. Insurance: Seller shall keep all existing coverage and insurance policies insuring Seller or the Property against claims arising from property damage or liability, if any, in full force and effect pending the closing.

D. Condition of Property: Seller shall not commit, or permit anyone else to commit, any loss, destruction or damage to the Property, which has not been repaired or restored by Seller prior to the date of closing. Seller shall not permit any adverse changes in the condition of the Property from the Effective Date of this Contract to the date of closing, except for reasonable wear and tear. If Buyer so requests, a walk-through of the Property will be scheduled and conducted prior to the closing to assure compliance with this Contract.

E. Closing Agent: Independence Acquisition and Appraisal will serve as the Closing Agent.

F. Escrow Agent: American Government Services will serve as the Escrow Agent. All funds held by the Escrow Agent under this Contract, if any, will be placed in a non-interest bearing account and will be disbursed in accordance with this Contract.

8. TAXES AND CLOSING EXPENSES:

A. The Escrow Agent will withhold from Seller's proceeds at closing an amount equal to Seller's pro rata share of real estate taxes and special assessments, if any, allocated to the Property as prorated to the date of closing, and such amounts will be paid to the Manatee County Tax Collector.

B. If applicable, Seller shall, in accordance with the statutory requirements set forth in Section 196.295, Florida Statutes, deposit in escrow with the Manatee County Tax Collector an amount equal to the current year's taxes allocated to the Property prorated to

the date of closing, same being the date upon which transfer of title will occur. This amount will be based upon the current assessment and millage rates on the Property owned by Seller. Under either this paragraph or paragraph 8.A., above, where taxes are prorated based upon the preceding year's tax assessment, the Parties agree to re-prorate taxes, with maximum discount, upon the request of either Party within **SIX (6)** months from the date the taxes for the year of closing have been certified by Manatee County.

C. Costs to be Paid by Seller: Seller shall pay costs of curing title defects, if any.

D. Costs to be Paid by Buyer: Buyer shall pay the cost of recording the deed, totaling **FORTY-FOUR AND 00/100 DOLLARS (\$44.00)**. Buyer shall also pay for an owner's title insurance policy and related title costs, closing agent fees, escrow agent fees, and Buyer's attorney's fees, if any.

E. Documentary Stamp Taxation: This Contract is made and executed under threat of and in lieu of eminent domain proceedings, and is thus not subject to documentary stamp taxation.

9. ASSIGNABILITY: The Parties may not assign this Contract or any right or obligation of this Contract without prior written consent of the other Party.

10. AMENDMENTS: This Contract may not be amended, canceled, changed, discharged, modified, rescinded, supplemented, or terminated other than as expressly provided in this Contract, except by an instrument in writing executed by all Parties. All amendments are subject to acceptance and approval by the Manatee County Board of County Commissioners.

11. ATTORNEYS' FEES AND COSTS: Each Party shall be solely responsible for paying its attorneys' fees and costs in any dispute, litigation, dispute resolution proceeding, settlement negotiation, or pre-litigation negotiation arising under this Contract.

12. AUTHORIZATION: Each Party represents to the other that it has the requisite power and authority under all applicable laws to enter into this Contract, that all of the procedural requirements imposed by law upon it for the approval and authorization of this Contract have been properly completed, and that the persons who have executed the Contract on behalf of it are authorized and empowered to execute the Contract.

13. AVAILABILITY OF FUNDING: The obligations of Buyer under this Contract are subject to the availability of funds lawfully appropriated annually for its purposes by the Manatee County Board of County Commissioners and the availability of funds through contract or grant programs. In the event that such funds are, in good faith, not appropriated or are terminated during the term of this Contract, Buyer may terminate this Contract and all covenants and obligations of it by providing **THIRTY (30)** days' written notice to Seller. If Buyer terminates this Contract due to a lack of funding pursuant to this provision, all rights and liabilities of the Parties arising under this Contract will terminate.

14. **BINDING EFFECT:** This Contract is binding upon and inures to the benefit of the Parties hereto and their respective heirs, personal representatives, successors, and permitted assigns. The covenants, warranties, representations, indemnities, and undertakings of Buyer and Seller as set forth in this Contract will survive delivery and recording of the deed and possession.

15. **BROKER'S FEES:** Neither Party will pay a commission to any broker in connection with the sale and purchase of the Property. Both Parties warrant that they have assumed no obligation to pay any such commission in connection with this transaction.

16. **DEFAULT AND REMEDIES:** Except as otherwise provided in this Contract, if Seller is not in default pursuant to any of the terms of this Contract and Buyer fails to purchase the Property or to perform any of the covenants, conditions, or warranties of this Contract, Seller, at Seller's option, may proceed at law or in equity to enforce Seller's legal rights under this Contract. If Seller for any reason fails to perform any of the covenants, conditions or warranties of this Contract, Buyer may, at Buyer's option, (a) terminate this Contract by written notice to Seller or (b) waive the nonperformance and proceed with closing or (c) have the remedy of specific performance of this Contract.

17. **DOCUMENTS AND REPORTS:** Within **TEN (10)** days after the Effective Date of this Contract, Seller shall provide to Buyer copies of all written reports in Seller's possession relating to the environmental condition of the Property; all boundary surveys of the Property; any existing title policy or commitment pertaining to the Property.

18. **ENTIRE CONTRACT:** This Contract and the Exhibits attached to it contain the final and entire agreement between the Parties with respect to the sale and purchase of the Property and are intended to be an integration of all prior negotiations and understandings. This Contract supersedes all prior negotiations, understandings, representations, or agreements, both written and oral. Buyer and Seller are not bound by any terms, conditions, statements, warranties, or representations, written or oral, not contained in this Contract. No change or modification of this Contract is valid unless the same is in writing and signed by the Parties.

19. **ENVIRONMENTAL SITE ASSESSMENT:** During the Inspection Period, Seller shall permit representatives of Buyer to access all of Seller's records relating to the Property, and to enter upon the Property for the purposes of conducting tests, inspections or examinations that Buyer desires in regard to the environmental conditions of the Property, including, but not limited to, tests, borings, percolation tests and other tests, inspections or examinations that Buyer may order, at its expense, to determine subsurface or topographic conditions of the Property. Buyer shall, subject to the limitations set forth in Section 768.28, Florida Statutes, indemnify and hold Seller harmless for any damages to the Property to the extent caused by the failure of Buyer or Buyer's representatives to exercise reasonable care in the conduct of such tests, inspections or examinations. If Buyer, in its sole and absolute discretion, concludes from the results of the tests or for any other reason or factor that the Property is not feasible or desirable for Buyer's intended purpose, Buyer shall notify Seller in writing of Buyer's conclusion on or before the end of the Inspection Period and this Contract will then be deemed terminated and of no further force and effect, and no Party will have any rights or claims against one another which might otherwise result

from this Contract, unless Buyer and Seller negotiate and enter into a mutually acceptable amendment to this Contract to address such concern.

20. **FLORIDA LAW AND MANATEE COUNTY VENUE**: This Contract is to be governed, construed and enforced in accordance with the laws of the State of Florida. Venue for resolution of all disputes, whether by mediation, arbitration, or litigation, lies in Manatee County, Florida.

21. **FORCE MAJEURE**: No Party is required to perform any obligation under this Contract or is liable to the other for any delay or failure to perform or damages for any delay or failure so long as performance or non-performance of the obligation is delayed, caused, or prevented by an act of God, an act of terrorism, a civil commotion, an earthquake, a failure or disruption of utility services, a fire, a flood, a hurricane, an insurrection, a sinkhole, a tornado, an unusual transportation delay, or other like cause, and which by exercise of reasonable diligent effort, the non-performing party is unable in whole or in part to prevent or overcome (hereinafter **Force Majeure Event**). All time periods will toll for the period that the Force Majeure Event prevents performance under this Contract, provided, however, if such Force Majeure Event continues to prevent performance under this Contract more than **FOURTEEN (14)** days beyond the date of closing, then either Party may terminate this Contract by delivering written notice to the other, thereby releasing Buyer and Seller from all further obligations under this Contract.

22. **HEADINGS**: The headings contained in this Contract are for convenience and reference and do not affect the meaning or interpretation of this Contract.

23. **NOTICE**: Any and all notices, approvals, claims, consents, demands, requests, or other communications between the Parties (hereinafter **Notices**) must be in writing. 28. **SURVEY**: During the Inspection Period, Buyer may, at Buyer's expense, survey the Property. If the survey discloses, reveals, or shows any encroachment on the Property or that improvements located on it encroach on setback lines, easements, or lands of others, or violate any restrictions, covenants, or applicable governmental regulations, Buyer may deliver written notice of such matters, together with a copy of the survey, to Seller. Upon receipt of notice by Seller, any such encroachments or violations will be treated as a title defect and will be governed by the terms of numbered paragraph 6, above.

Action Requested

FORM OF MOTION:

Motion to (1) consider and accept offer to purchase from James L. McClintock and Carol L. McClintock in the amount of \$209,000 and (2) approve and execute the Contract for Sale and Purchase to acquire Parcel 104 for the 44th Avenue East Road Improvement Project from 45th Street East to 44th Avenue Plaza East.

Enabling/Regulating Authority

Chapters 125 and 127, Florida Statutes.

Goal 5.1, Manatee County Comprehensive Plan, providing for a traffic circulation system that supports the needs of the community in a sensitive, save, efficient, economical and environmentally sound manner.

Resolutions R-17-108 and R-17-109.

Background Discussion

The County needs to acquire fee simple title to Parcel 104 to improve 44th Avenue East from 45th Street East to 44th Avenue Plaza East. This project is a CIP-approved project. Parcel 104 is located at 4725 44th Avenue East in Bradenton, Florida, and is approximately 0.445 acres in size. The parent parcel is improved with a single-family residence, the homestead of the current owners, James L. McClintock and Carol L. McClintock.

The County's appraiser valued Parcel 104 at \$58,100, while the landowner's appraiser concluded the value to be \$249,432. In addition, the landowner was originally seeking \$63,139.56 in statutory attorney's fees and \$31,186.53 in experts' fees and costs. In lieu of the County proceeding to acquire Parcel 104 by eminent domain, the owners have agreed to sell Parcel 104 to the County for \$209,000, inclusive of fees and costs for the landowner's attorney and experts. The attached comparison chart lists the various components of the respective appraiser's conclusions and tabulates the total amount originally sought by the landowner (\$343,758.09).

Acquisition of Parcel 104 through this Contract for Sale and Purchase will eliminate the need to proceed to eminent domain and will avoid additional expert fees and costs and litigation costs. If the County were to

proceed with eminent domain instead of acquiring Parcel 104 through this Contract for Sale and Purchase, the County's maximum exposure is estimated to be as follows:

- Land, Improvements, Severance Damages and Cure: \$274,000
- Fees for Landowners' Attorney: \$71,000
- Fees for Landowner's Experts: \$62,000
- Fees for County's Experts: \$31,000
- Additional Litigation Costs and Fees: \$40,000

Total maximum exposure is estimated at \$478,000. Total minimum exposure is estimate at \$198,000.

The County Attorney's Office and Public Works staff recommend the Board acquire Parcel 104 for \$209,000.00, inclusive of attorney's fees and costs and experts' fees and costs in accordance with the terms outlined in the attached Contract for Sale and Purchase, in lieu of proceeding with eminent domain. The recommendation to accept the terms of this agreement considers the value of the property acquired and the estimated costs associated with further litigation. Based on the foregoing, it is recommended that the Board accept this offer and execute the Contract for Sale and Purchase for the acquisition of Parcel 104.
