ARTICLE I

Section 1.1 General. Capitalized terms used in this Agreement and not otherwise defined herein shall have the meanings set forth in Section 420.9071, Florida Statutes.

The following defined terms shall have the following meanings:

- (a) “Dwelling Unit” shall mean a residential accommodation located within unincorporated Manatee County and constituting a part of the Project containing separate and complete living facilities designed and intended for the primary purpose of providing decent, safe and sanitary residential units available for sale to the general public.
- (b) “Affordable Dwelling Unit” shall mean a Dwelling Unit that is Affordable to low and moderate-income households within the meaning set forth in Section 420.9071, Florida Statutes.

Additional capitalized terms defined in this Agreement shall have the meanings ascribed to them herein.

ARTICLE II

Use and Occupancy of the Property

Section 2.1 Assisted Units. The Owner and Developer shall develop the Project as a residential development, and sell, as owner-occupied residential homes, One (1) Affordable Dwelling Unit exclusively to Eligible Persons or Eligible Households throughout the Affordability Period (as defined and established pursuant to Section 2.4 hereof). The Affordable Dwelling Unit that the Owner is obligated to develop, sale and maintain pursuant to this Section shall be referred to herein as the “Assisted Unit.”

Section 2.2 Long Term Occupancy Requirement. For purposes of complying with the requirements set forth in Section 2.1 above, if the income of the Eligible Persons or Eligible Household in a Dwelling Unit did not exceed the applicable income limit (adjusted for the number of persons residing in the Dwelling Unit) at the sale or resale, such Eligible Person or Eligible Household may be treated as continuing to be an Eligible Person or Eligible Household throughout their occupancy notwithstanding increases in income. The respective Assisted Unit shall, upon resale during the Affordability Period, be sold as an Affordable Dwelling Unit, to an Eligible

Person or Eligible Household with the appropriate income limits. If the Owner or a successor homeowner fails to comply with this requirement during the Affordability Period, the County shall have the right to pursue any or all of the remedies as set forth in Section 4 hereof.

Section 2.3 Incentives. The Owner or Developer shall be entitled to the Affordable Housing Incentives specified in Exhibit B “Incentives” of this Agreement.

Section 2.4 Affordability Period. For purposes of this Agreement, the Affordability Period shall commence upon the project completion date as determined by the County and end ten (10) years from such Project completion date. The County may, in its discretion, determine a project completion date for a specific phase of the Project, in which case the Affordability Period for the Assisted Units in that phase shall commence and conclude based on the phase-specific completion date. In the event Owner fails at any time during the Affordability Period to sell the Assisted Units as required pursuant to this Agreement, and the County consents to the cure of such non-performance, the Affordability Period shall automatically be extended by a time period equal to the period of non-performance, to assure that the County receives the full Affordability Period for which Assisted Units received Incentives.

Section 2.5 Compliance. The Owner and Developer shall comply with all requirements of the Comprehensive Plan, all standards and requirements of the LDC, the Florida Building Code and shall maintain the Project in compliance with the aforementioned requirements.

Section 2.6 No Conversion. During the term of this Agreement, the Owner shall not use the Project for any use other than as an owner-occupied, for-sale residential dwelling unit.

Section 2.7 Non-Discrimination. The Owner shall not discriminate on the basis of race, creed, religion, color, sex, familial status, national origin or handicap in the use or occupancy of the Project. Age discrimination and discrimination against minor dependents, except when units are specifically being held for elderly households in accordance with applicable State and Federal law, are also not permitted.

Section 2.8 Advertisement. The Owner and Developer hereby covenant and agree that they will immediately withdraw from circulation any advertisement determined by the County to violate or be inconsistent with this Agreement with respect to promoting Affordable Housing. However, this Agreement does not require the Owner and Developer to market the units in any specific manner or any specific representation that the Project is or contains units that are designated as Affordable so long as Owner and Developer comply with this Agreement.

Section 2.9 Transfer of Ownership. Should a transfer of ownership for all or any part of the Property take place during either the review or construction phases for the Project, the use shall not change and transferee shall develop the Project pursuant to this Agreement. If an Assisted Unit is offered for sale or resale during the Affordability Period, then it shall be sold as an Affordable Dwelling Unit and sold exclusively to Eligible Persons or Eligible Households. Owner and

Developer may work with the County to help income qualify the new homebuyer. In the event that a transfer of ownership takes place to a non-Eligible Person or non-Eligible Household for all or any part of the Property during the Affordability Period, Owner and Developer are responsible to repay the remaining portion of the Incentive reduced by ten percent (10%) of the original Incentive amount for each year Property was compliant during the Affordability Period.

Section 2.10 Successors Bound – Burden to Run with Property. This Agreement and the covenants and conditions contained herein shall run with the land and shall bind, and the benefits shall inure to, respectively, the Owner and its successors and assigns and all subsequent owners of the Property and each Assisted Unit or any interest therein, and to the County for the Affordability Period set forth in this Agreement. The Owner and each subsequent owner of an Assisted Unit shall expressly make the conditions and covenants of this Agreement a part of any deed or other instrument conveying any interest in the Property and each Assisted Unit during the Affordability Period.

ARTICLE III

Section 3.1 Administration. Owner and Developer shall ensure that the initial homebuyer meets the purchase and eligibility requirements of this Agreement. After initial sale of the Assisted Unit, County shall periodically monitor Property to ensure it is owner-occupied and not rented or used for purposes outside the scope of this Agreement. If Property is being rented or utilized for purposes outside the scope of this Agreement, the County shall have the right to pursue any or all of the remedies as set forth in Section 4 hereof.

ARTICLE IV

Enabling/Regulating Authority

Resolution R-17-069 - Livable Manatee Incentive Program

Background Discussion

- On August 22, 2017, the Board of County Commissioners adopted Resolution R-17-069 establishing the Livable Manatee Incentive Program for Qualified New Affordable Housing in Unincorporated Manatee County and authorizing the establishment of Administrative Procedures for implementation of the Livable Manatee Incentive Program.
- Staff worked with the County Attorney's office to develop the template for the Land Use Restriction Agreements (LURA) to be utilized for the Livable Manatee Incentive Program. On April 25, 2018, the County Attorney's Office approved the template for the LURA to be utilized for the Livable Manatee Homeownership and Rental Incentive Program.
- On January 31, 2018, an Affordable Housing Designation Application was received for Property located at 2122 3rd Street East, Bradenton, for development of an affordable single-family unit with a sales price of \$145,000 that will be sold to a very low (50%), low (80%), or moderate (120%) AMI household.
- The Land Use Restriction Agreement for Homeownership has been prepared by staff and executed by the Owner/Developer. The LURA is the mechanism that ensures the home is sold to a qualified buyer and allows for payment of County and School Impact Fees and Facility Investment Fees incurred in the development of the affordable housing unit located at 2122 3rd Street East, Bradenton.
- A qualified very low, low, or moderate income household will be approved for purchase of the unit upon completion and there is an anticipated closing date scheduled for the home on or before September 30, 2018. Execution of the Land Use Restriction Agreement is required prior to closing for the Owner/Developer to be reimbursed for County and School Impact Fees and Facility Investment Fees through the Livable Manatee Homeownership Incentive Program.
