Hi Robin,

Susan checked this morning and the grant deadline passed back in December, so no letter is needed currently.

Thanks

Toward the end of the meeting, just prior to taking Commissioners' Comments, Chairman Trace reported receiving a request from Step-up Suncoast, asking for execution of a letter to support their application for a grant to expand their Early Head Start Program. Other Commissioners commented that they also received a draft copy of the letter.

Hi Ladies,

I will go back and review the meeting comments to refresh my memory. Neither Susan Ford nor I recall Step Up Suncoast coming to us for a letter of support or to be added as an agenda item. We will certainly work to get a letter written if it will help. I'll get back to you this afternoon.

This would've been prepared for 2018 Chairman Trace, but I cannot find anything.

Ava, what do you know about this?

Good Morning,

In the meeting of 11/27/18, there was consensus of the Board that Commissioner Jonsson replace former Commissioner Smith on the Florida Association of Counties Board of Directors. Immediately following that comment, a motion was made by Commissioner Benac, seconded by Commissioner Baugh and carried 7 to 0, to authorize the Chairman to execute a letter of support for Step-Up Suncoast, for their proposal to expand their Early Head Start Program.

Can you please check to see if the letter was drafted and signed by Chairman Jonsson and please forward me a copy of this letter.

I wasn't sure who to place my request with, so I thought it would be smart to email both of you!
