Background Discussion

On June 16, 2020, the Board of County Commissioners approved the State FY 20/21 funding agreement for the Alzheimer's Disease Initiative (ADI) grant funded program. Amendment 001 allows for an overall increase of \$55,118 to this agreement.

The additional funds are a result of Legislative appropriations received from the Department of Elder Affairs and have been allocated according to the state approved funding formula. There is no required match to this program.

ADI grant funds are used to provide Case Management and In-Home Respite care to caregivers caring for someone with a memory impairment.

The additional funds will allow for Manatee County to enroll new clients into the program from the wait list.
