Staff is recommending several proposed amendments to Manatee County Code 2-22-24 relating to Stopping, Standing, and Parking. The proposed amendments consist of creating a Countywide parking restriction provision for school zones, adding six site-specific restrictions, and minor corrections and clarifications.

The proposed revisions are as follows:

1. Restrict parking in the right-of-way within all County maintained reduced speed school zones. It is staff's opinion this restriction will improve safety for drivers and pedestrians. This restriction would apply to all existing and future reduced speed school zones on County maintained roadways. A qualified enforcement area would consist of an appropriately signed and marked reduced speed school zone located on a County maintained road, within unincorporated areas of the County.

2. Add the following site-specific restrictions. Each site has been reviewed and the proposed restrictions are supported by Law Enforcement, Code Enforcement, and Public Works staff. It is the opinion of staff that these locations would benefit from the proposed parking restrictions through increased safety for drivers and pedestrians. The locations are as follows:

No Stopping Standing or Parking Anytime

- Ft. Hamer Rd. – From Ft. Hamer Rd. bridge to a point north 1,000 feet.
- Center Rd. – From Terra Ceia Rd. to a point north 250 feet (East side of road only)
- Center Rd. – From Terra Ceia Rd. to a point north 140 feet (West side of road only)
- 49th Ave. E. – From Moccasin Wallow Rd. to 92nd St. E.
- 57th Ave. Dr. E. – To a point 100 feet west of 15th St. E. (north side of road)
- 57th Ave. Dr. E. – To a point 325 feet west of 15th St. E. (south side of road)

3. Correct errors for Holly Ave. – This same road segment is listed twice in the code under two different sections. It is listed under the “No Parking Any Time” section and under the “No Stopping, Standing, or Parking from 6:00 A.M. to 2:00 A.M. on Friday, Saturday, and Sunday.” According to records we found and confirmed by existing posted signs, this restriction should be listed under the latter specific time restriction. Staff has included an excerpt of the most recent code change for this location. In addition, under the correct listing section there appears to be an error in the time reading 6 A.M. The ordinance should be changed to read 6 P.M.

Public Works staff has coordinated with the County Attorney’s Office to draft this ordinance and recommends adoption of the proposed No Parking Ordinance 21-16.
