Additional capitalized terms defined in this Agreement shall have the meanings ascribed to them herein.

ARTICLE II

Section 2.1 Assisted Units. The Project Developer shall develop the Project as a residential development, and sell, as owner-occupied residential homes, Twenty-Five (25) Affordable Dwelling Units exclusively to Eligible Persons or Eligible Households throughout the Affordability Period (as defined and established pursuant to Section 2.4 hereof). The Affordable Dwelling Units that the Project Developer is obligated to develop, sell and maintain pursuant to this Section shall be referred to herein as the "Assisted Units."

Section 2.2 Long Term Occupancy Requirement. For purposes of complying with the requirements set forth in Section 2.1 above, if the income of the Eligible Persons or Eligible Household in a Dwelling Unit did not exceed the applicable income limit (adjusted for the number of persons residing in the Dwelling Unit) at the sale or resale, such Eligible Person or Eligible Household may be treated as continuing to be an Eligible Person or Eligible Household throughout their occupancy notwithstanding increases in income. The

2884046v1

respective Assisted Unit shall, upon resale during the Affordability Period, be sold as an Affordable Dwelling Unit, to an Eligible Person or Eligible Household with the appropriate income limits. If the Project Developer or a successor homeowner of an Affordable Dwelling Unit fails to comply with this requirement during the Affordability Period, the County shall have the right to pursue any or all of the remedies as set forth in Section 4 hereof.

Section 2.3 Incentives. As consideration for the commitments set forth herein, the Project Developer shall be entitled to the Affordable Housing Incentives specified in Exhibit "B", "Incentives" of this Agreement.

For purposes of this Agreement, the Affordability Period shall commence upon the project completion date as determined by the County and end ten (10) years from such project completion date. The County may, in its discretion, determine a project completion date for a specific phase of the Project, in which case the Affordability Period for the Assisted Units in that phase shall commence and conclude based on the phase-specific completion date. In the event Owner fails at any time during the Affordability Period to sell the Assisted Units as required pursuant to this Agreement, and the County consents to the cure of such non-performance, the Affordability Period shall automatically be extended by a time period equal to the period of non-performance, to assure that the County receives the full Affordability Period for which Assisted Units received Incentives.

Section 2.5 Compliance. The Project Developer shall comply with all requirements of the Comprehensive Plan, all standards and requirements of the LDC and the Florida Building Code, and shall maintain the Project in compliance with the aforementioned requirements.

Section 2.6 No Conversion. During the Affordability Period, the Project Developer and any subsequent owner of an Assisted Unit shall not use any Assisted Unit for any use other than as an owner-occupied, for-sale residential dwelling unit.

Section 2.7 Non-Discrimination. The Project Developer shall not discriminate on the basis of race, creed, religion, color, sex, familial status, national origin or handicap in the use or occupancy of the Project. Age discrimination and discrimination against minor dependents, except when units are specifically being held for elderly households in accordance with applicable State and Federal law, are also not permitted.

Section 2.8 Advertisement. The Project Developer hereby covenants and agrees that it will immediately withdraw from circulation any advertisement determined by the County to violate or be inconsistent with this Agreement with respect to promoting Affordable Housing. However, this Agreement does not require the Project Developer to market the units in any specific manner or any specific representation that the Project is

2884046v1

Section 2.9 Transfer of Ownership. Should a transfer of ownership for all or any part of the Property take place during either the review or construction phases for the Project, the use shall not change and transferee shall develop the Project pursuant to this Agreement. If an Assisted Unit is offered for sale or resale during the Affordability Period, then it shall be sold as an Affordable Dwelling Unit and sold exclusively to Eligible Persons or Eligible Households. In the event that a transfer of ownership takes place to a non-Eligible Person or non-Eligible Household for all or any part of the Property during the Affordability Period, the Project Developer or any subsequent owner of an Assisted Unit shall repay the remaining portion of the Incentive reduced by ten percent (10%) of the original Incentive amount for each year Property was compliant during the Affordability Period.

Section 2.10 Successors Bound – Burden to Run with Property. This Agreement and the covenants and conditions contained herein shall run with the land and shall bind, and the benefits shall inure to, respectively, the Project Developer and its successors and assigns and all subsequent owners of the Property and each Assisted Unit or any interest therein, and to the County for the Affordability Period set forth in this Agreement. The Project Developer and each subsequent owner of an Assisted Unit shall expressly make the conditions and covenants of this Agreement a part of any deed or other instrument conveying any interest in the Property and each Assisted Unit during the Affordability Period.

Section 2.11 Designation of Assisted Units; Release of Other Units. The County Administrator or his or her designee is hereby authorized to execute and record, at Project Developer's expense, a Memorandum and Release designating which units within the Project will constitute Assisted Units for purposes of this Agreement, substantially in the form attached hereto as Exhibit "C" (the "Unit Designation"). If the Property is being rented or utilized for purposes outside the scope of this Agreement, the County shall have the right to pursue any or all of the remedies as set forth in Section 4 hereof.

2884046v1

Enabling/Regulating Authority

Resolution R-17-069 Livable Manatee Incentive Program

Background Discussion

On August 22, 2017, the Board of County Commissioners adopted Resolution R-17-069 establishing the Livable Manatee Incentive Program for qualified new affordable housing in unincorporated Manatee County and authorizing the establishment of Administrative Procedures for implementation of the Livable Manatee Incentive Program. Staff worked with the County Attorney's office to develop the template for the Land Use Restriction Agreements (LURA) to be utilized for the Livable Manatee Incentive Program. On April 25, 2018, the County Attorney's Office approved the template for the LURA to be utilized for the Livable Manatee Homeownership and Rental Incentive Program.

On August 21, 2019, RLG Investments of Bradenton, LLC, the developer of Luna Lakes, was granted Affordable Housing Designation by Manatee County for the Livable Manatee Incentive

program. Per program procedures, 25% of the proposed units (or 25 units) are eligible for the incentive.

On June 23, 2020, the Board of County Commissioners approved PDR-19-17(Z)(P) to rezone the site to Planned Development – Residential (PD-R) along with a Preliminary Site Plan for 101 single family homes.

In October 2020, an official application was submitted to Manatee County Building and Development Services for the Final Site Plan and is in review, nearing approval. Construction Plans are also in review though Building and Development Services.

On May 14, 2021, Mark P. Barnebey, representative of the developer, provided a signed, executed copy of the LURA to be placed on the Board of County Commissioners agenda for June 8, 2021.

Execution of the LURA is required prior to payment of County and School Impact Fees and Facilities Investment Fees through the Livable Manatee Homeownership Incentive program. The LURA has a 10-year affordability period for each unit, which begins on the date of their Certificate of Occupancy. Redevelopment and Economic Opportunity staff will monitor the project on a yearly basis to ensure compliance.
