Action Requested

Adoption of Resolution R-21-149 providing for certification of non-ad valorem assessments pursuant to the Uniform Method for levy, collection, and enforcement of non-ad valorem assessments for annual special assessment payments due with the payment of the 2021 ad valorem taxes.

Enabling/Regulating Authority

Chapter 197.3632, Florida Statutes, for the levy, collection, and enforcement of non-ad valorem assessments imposed after January 1, 1990.

Background Discussion

- Pursuant to Chapter 197.3632, Florida Statutes, all assessments imposed after January 1, 1990, are to be collected as non-ad valorem assessments.
- The Uniform Collection Agreement for Manatee County Assessments between the Board of County Commissioners, the Property Appraiser, and the Tax Collector, authorizes the parties to take all necessary action to implement the levy, collection, and enforcement of the assessments in the amounts and times set forth in the Resolution establishing the assessment roll. Section 5 establishes the duties and responsibilities of the County with regards to reimbursement of the Property Appraiser and Tax Collector for collection and administrative costs incurred. The County agrees to an annual payment of 1.5% of the

Assessments collected to the Tax Collector and 1.5% of the Assessments collected to the Property Appraiser.

- The Property Appraiser and Tax Collector have requested the BCC certify the non-ad valorem assessment rolls each year establishing amounts to be collected for that year.
- Attached is Exhibit "A" listing the projects which have been approved as non-ad valorem assessments. Since these projects have been through the assessment process, the only requirement is that the assessment rolls be certified prior to September 15th to be placed on the 2021 tax bills.
