None

Contact and/or Presenter Information

Commissioner Dr. Robert McCann

Action Requested

Motion for public works to install "No Compression Release Braking" signage on Verna Bethany Road, a rural roadway designated as a FDOT detour during construction of the SR 70/675 roundabout, as the entering and exiting portion of 675 will be closed. The detour is scheduled to begin April 20 and continue for approximately two months. Residents in the area have previously requested placement of such signage on Verna Bethany Road, but the issue has not yet been addressed.

Background Discussion

The impact of compression release braking on Verna Bethany Road was scheduled for discussion during a CIP briefing that Commissioner Felts was to have the week following her passing. Constituents have been requesting installation of such signage for several years.

Attorney Review

Instructions to Board Records

Residents in the area have previously requested placement of such signage on Verna Bethany Road, but the issue has not yet been addressed.
