Background Discussion

The Property Management Department is requesting funding form the Tree Trust Fund in the amount of 13,390.00 to purchase and install trees for the following project: Green Screen of Geraldson Farm Site Staging Areas.

This project requests funding to plant a large row of trees to screen the expanding Natural Resources Department Lay-down yard/staging area at the Geraldson Community Farm site. This will help the facility blend into the neighborhood more seamlessly and preserve neighbor's vistas. At this location we store a variety of aggregate materials used in shoreline stabilization trial maintenance and oyster restoration as well as yard waste for burning and many trailers tractors etc.

Adoption of Budget Amendment Resolution B-26-073 is being requested to place funds in the Parks Landscape Tree Trust Fund account key.
