Background Discussion

On June 17, 2025 the board of County Commissioners approved the State FY 25/26 funding agreement for the Home Care for the Elderly program.

Home Care for the Elderly program funds are provided by the State through Senior Connection Center, Inc., encouraging the provision of care to the elderly in family type living arrangements in private homes as an alternative to institutional placement by providing monthly financial subsidy payments to the qualified caregiver.

Amendment 003 decreases funds by \$40,811 due to unanticipated surplus under the Subsidy category resulting from unexpected low wait list numbers for this program and unexpected termination of clients from this program due to death or transfer into a skilled nursing facility. These funds are sent directly from the state to the eligible caregiver.

Funding is not allowed to roll over and has been distributed to another county under the provider service area.

This Amendment closes out the 25/26 funding year and does not affect services to clients enrolled in the current funding period.
