Background Discussion

On April 13, 2022, Sarasota County issued an Invitation for Bids (IFB) No. 22-222316FO, for Emergency Repairs and Installations of Utility Infrastructure.

On May 27, 2022, Sarasota County issued a Notice of Recommended Award with DeJonge Excavating Contractors, Inc.

On July 2, 2026, Sarasota County executed Amendment No. 2 to renew contract SR 2316 for Emergency Repairs and Installations of Utility Infrastructure through August 30, 2027.

On July 23, 2026, the County issued Piggyback Blanket Purchase Order No. P2601144 to DeJonge Excavating Contractors, Inc., for Emergency Repairs and Installation of Utility Infrastructure in accordance with Agreement No. SR 2316.

The Utilities Department estimates the annual expenditure for emergency repairs and installations of utility infrastructure to be approximately \$3,500,000.00; however, the department is requesting funding for individual Release Orders to be directly associated with the Board of County Commissioners (BCC) - approved departmental budget. The direct association with the BCC-approved departmental budget will allow the Utilities Department to realize greater efficiencies and have autonomy to use Blanket Purchase Order No. P2601144 in order to expeditiously facilitate the necessary services on an as-needed basis. Any deviation in funding will require a budget Amendment be brought before the Board of County Commissioners for approval prior to the issuance of the requested Release Order.
