3. RESOLUTION R-02-268 - MASTER MINE AND RECLAMATION PLAN

(Karen Collins-Fleming, Director, Environmental Management Department/Rob Brown, Senior Administrator, Environmental Management Department)

A Resolution of the Board of County Commissioners of Manatee County, Florida amending IMC Phosphates Company's existing Master Mining Plan for the Four Corners Mine to authorize mining for six non-contiguous parcels known as the Northeast and Altman Tract Additions (3,360 acres) except for parcels 3B and 7 which are approved as mine access corridors; amend the terms of the Master Mining Plan to allow the mining of phosphate ore on eight non-contiguous parcels (763 acres) known as the Northeast Tract Economic Revision Areas; to establish new or modified conditions of approval for mining within the Northeast, Jameson and Altman Tracts to insure that the Master Mining Plan will be consistent with all changes proposed by the applicant and the DRI development order for this project; providing for severability and providing an effective date.

The proposed additions to the Four Corners Phosphate Mine are located north of SR 62 along both sides of CR 39 and east of SR 37 extending eastward to the Hardee County Line. The existing Four Corners Phosphate Mine is located north of SR 62 and along both sides of SR 37 and west of CR 39, extending to the north into Hillsborough County.

4. ORDINANCE 02-49 - IMC PHOSPHATES COMPANY/ FOUR CORNERS MINE SUBSTANTIAL DEVIATION NORTHEAST TRACT ADDITIONS

(Robert Pederson, Community Planning Administrator/Lisa Barrett, Principal Planner)(Continued from 11/07/02)

Request: Approval of a Substantial Deviation to the Four Corners Mine Development of Regional Impact to:

1. Amend Section 7 - Legal description for the addition of six (6) non-contiguous parcels, \pm 3,360 acres, known as the Northeast and Altman Tract additions to this DRI;
2. Allow the mining of phosphate ore on the 3,360 acre addition to the mine, except for Parcels 3B and 7, which are mine access corridors;
3. Amend the terms of the Development Order to allow the mining of phosphate ore on eight (8) non-contiguous parcels, \pm 763 acres, known as the Northeast Tract Economic Revision areas, which were previously areas of "no-mining disturbance;"
5. Amend the Section 7 - Legal description and terms of the Development Order to add two (2) Mine Access Corridors (\pm 171 acres), which will be disturbed by mining activity;
6. Amend the D.O. to allow the sale of excess overburden and sand tailings for transport off-site;
7. Amend the D.O. to increase the number of employees;
8. Amend the D.O. to increase the rate of mining and number of acres to be mined or disturbed within the Jameson, Northeast, and Altman Tracts;
9. Amend the D.O. to extend the life of the mine (mining activity and reclamation) by 11 years, from 2018 to 2033;
10. Amend the D.O. to allow the potential use of conveyor systems for transportation of products and byproducts;
11. Amend Sections 4 - Development Components, 5 - Definitions, and 6 - Development Conditions, to reflect the 3,360 acres to be added to this DRI, the 763 acres of Economic Revision Areas, and the 171 acres of Mine Access Corridors, to establish new or modified conditions of approval for mining within the Northeast, Jameson, and Altman Tracts, and to ensure the Development Order will be internally consistent with all changes proposed by the applicant;
12. Delete existing Development Order Conditions F.5. & K (5) 1 - MA-08, pertaining to a rookery;
13. Delete existing Development Order Condition K - 10 pertaining to conditions associated with mining for the 170 ac. Addition;
14. Amend the D.O. to reflect changes in agency names, the name of the developer, and to denote stipulations that have been complied with or requirements that have been completed; and
15. Amend Map H to reflect the above changes.

The proposed additions to the Four Corners Phosphate Mine are located north of SR 62, along both sides of CR 39, and east of SR 37, extending eastward to the Hardee County line. Total Substantial Deviation Request is \pm 4,123 acres. The existing Four Corners Phosphate Mine is located north of SR 62 and along both sides of SR 37 and CR 39, extending to the north into Hillsborough County.
