6. **INTERNAL PROCEDURES AND RULES**

AS20260617DOC003

 Mrs. Beville reviewed the procedures and rules packet. She is available for any questions and will revisit the packet at the next meeting.

Discussion ensued regarding issues about the next meeting date, wording in the ordinance, the procedures and rules, and authority over projects.

9. **FUTURE AGENDA ITEMS**

 Ms. Beville reviewed the process of putting future items on the agenda. She highlighted the importance of emailing the staff liaison and providing support documentation. The Liaison will review the item with MCAW leadership and the Board Chair for possible inclusion on the next meeting agenda. If a member makes a motion recommending action on the item, the Board Chair will present the recommendation to the Board of County Commissioners (BOCC) at a regular meeting

Commissioner George Kruse mentioned the advisory board cannot self-assign things to staff and they cannot make policy.

 Discussion ensued regarding the process of getting items on the agenda, meeting more often, and holding a meeting in July.

 Member Whitmore requested information regarding the budget and Capital Improvement Program (CIP) to provide the Board with a better understanding of available resources and funding considerations.

A motion was made by Member Whitmore directing staff to provide a record of the budget for Animal Services and the CIP budget, any future projects, and possible future buildings on the Bishop Parker campus and Lena Road, at the next meeting. The motion was seconded by Member Demick and carried 9-0.

 Dr. Syna Johnson, Chief Veterinarian Shelter Operations, responded to questions and noted it would be helpful to obtain information on other shelters in the region for behavior programs and future support for the new resource center.

Member Bruenner removed herself from nominations.

Nominations were closed, and Member Demick was elected Vice-Chairman.

8. **DISCUSSION OF BOARD PRIORITIES**

AS20260617DOC006

 Chairperson Sabou suggested previously submitted items including tethering regulations education campaign, fishing line signs at boat ramps and piers, Animal Services Advisory Board (ASAB) participation in University of Florida (UF) shelter evaluation, and daily dog walk tracking records, as topics for the next meeting.

Member Daniels submitted proposed topics and addressed the need to implement a comprehensive public awareness campaign regarding County regulation on animal tethering.

Discussion ensued regarding there is a state law regarding tethering, awareness about tethering regulations, and social media campaigns regarding tethering.

 Michael Chase, Communications Coordinator, shared an overview of his capabilities with the Board.

Ms. Beville directed Members that if they have a campaign for which they would like to raise awareness, they should share the information with the Staff Liaison, who will then share with Manatee County Animal Welfare (MCAW) Leadership and the Board Chair for possible inclusion on the next meeting agenda. If the Board makes a motion recommending action on the item, the Board Chair will present the recommendation to the Board of County Commissioners (BOCC) at a regular meeting.

 A motion was made by Member Whitmore to act on the recommendation for anti-tethering education campaign. The motion was seconded by Chairperson Sabou and carried 9-0.
