MOSLER SAFE COMPANY  
 BID OPENED ON CARD FILING DEVICE ✓

The county attorney explained that a bid on an Electrically Operated Card File Device, submitted by Mosler Safe Company, had been overlooked at the time bids were opened on October 15, 1961; that it had been determined that the bid had been received in the Commissioners' office prior to the time of opening the bids and the oversight was in error; therefore, it would be in order for this bid to be opened and considered at this time.

Bid was opened from

Mosler Safe Company for  
 1 Electronically Operated Card File Device, \$3,051.00  
 Alternate bid \$3,396.00

The bid was referred to the purchasing agent and tax collector for examination and report.
