BUILDING DEPARTMENT: CAR RENTALS

Martin Williams, County Purchasing Agent, recommended that the County Building Department lease thirteen (13) Datsun 610 four-door sedans, equipped with automatic transmission and air conditioning, at the rate of \$125.00 per month per car from Balsinger Rental Cars, Inc. The lease would be for a twelve-month period and county would realize a saving on gasoline of \$1200 to \$1500. Since there is a shortage of this type of vehicle at this time, five would be available February 15, 1974 and five each month thereafter to a total of thirteen.

Motion was made by Mr. Fortson that the Board authorize the leasing of thirteen (13) 1974 Datsun 610 four-door Sedans from Balsinger Rental Cars, Inc., for use by the Building Department, as recommended. Motion was seconded by Mr. Hutches and carried unanimously.
