INDUSTRIAL REVENUE BONDS - AVON CABINET CORPORATION

Public hearing (Notice in the Bradenton Herald 11/13/98) was held to consider the proposed issuance in one or more series by the County of up to \$3,500,000 of its Industrial Development Revenue Bonds (Avon Cabinet Corporation Project).

Teddy N. Williams, Jr., County Attorney, submitted

R-98-292 A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF MANATEE COUNTY, FLORIDA, DECLARING MANATEE COUNTY'S OFFICIAL INTENT TO SEEK REIMBURSEMENT ON BEHALF OF AVON CABINET CORPORATION (THE "BORROWER") FOR CERTAIN CAPITAL EXPENDITURES TO BE MADE BY THE BORROWER WITH RESPECT TO THE ACQUISITION, CONSTRUCTION AND EQUIPPING OF CERTAIN MANUFACTURING FACILITIES TO

BE OPERATED BY THE BORROWER FROM THE PROCEEDS OF THE COUNTY'S NOT TO EXCEED \$3,500,000 INDUSTRIAL DEVELOPMENT REVENUE BONDS (AVON CABINET CORPORATION PROJECT); APPROVING THE FORM OF AND AUTHORIZING THE EXECUTION OF A GOOD FAITH DEPOSIT AGREEMENT; APPROVING THE ISSUANCE OF THE BONDS WITHIN THE MEANING OF SECTION 147(f) OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED (THE "BONDS"); AND PROVIDING FOR AN EFFECTIVE DATE.

He stated proceeds of the bond issue will be used to finance costs of a new 108,000-square-foot manufacturing facility for European-style kitchen and bathroom cabinetry by Avon Cabinet Corporation at 301 Park of Commerce. A favorable review was returned by the Economic Development Council, the Clerk, and the County's Development Review Committee.

Charlie Sands, Financial Advisor to Avon Cabinet Corporation, stated the bonds will be guaranteed by a letter of credit issued by NationsBank.

Rick Bero, President of Avon Cabinet Corporation, stated that Avon will create new jobs and will expand the County's tax base.

Discussion: Commitment letter signed; letter of credit will be issued at bond closing next year; received support letter from Clerk of Circuit Court, etc.

Ms. Stein submitted a letter (12/4/98) from Avon Cabinet Corporation stating their intentions to hire local firms.
(Enter Ms. Brown)

Motion was made by Mr. McClash, seconded by Mrs. Stein and carried 7 to 0, to adopt **Resolution R-98-292** authorizing issuance of not exceeding \$3.5 million in Manatee County industrial revenue bonds and the **Good Faith Deposit Agreement** with Avon Cabinet Corporation.

 20. AMENDING CERTAIN NON-CONFORMITY STANDARDS;
 21. AMENDING CERTAIN LANDSCAPING REQUIREMENTS;
 22. AMENDING CERTAIN ENFORCEMENT REQUIREMENTS;
- AND PROVIDING FOR SEVERABILITY AND AN EFFECTIVE DATE.

(Depart Mr. Stephens)

Laurie Suess, Planning Department, reviewed items under "Issues for Discussion" in the Cycle 2 1998 LDC Text Amendments package regarding Bonding of Private Improvements. She reviewed time frames for bonds, Section 722.3.2.3, which would require improvements secured by performance security be completed within one year of the date of recording the final plat except for sidewalks and bikeways, which are to be completed within three years from date of recording.

(Enter Mr. Stephens)

Discussion: Internal sidewalks versus external sidewalks; Section 722.3.1.1, regarding phased projects; Section 722.3.1.1 requires an agreement acceptable to the County be executed prior to allowing posting of performance security for installation of improvements, etc.

(Depart Mr. McClash)

Paul Sayers, Parrish resident, submitted his written comments, and stated that the changes to the Land Development Code (LDC) do not protect the people and are unwarranted.

Discussion: Planning Commission addressed amendments; risk if developer defaults and expenses exceed bond amount; if defect in improvements, County has potential liability; risk less with private development; amount of bond would be 200 percent; cannot sell lots until 100 percent complete; 200 percent would cover existing design as submitted; agreement with developer at each phase of development, etc.

Carol Clarke, Planning Director, addressed the 25-Year Floodplain and noted the LDC states that the language is only effective upon mapping of the 25-year floodplain. She recommended adopting the maps for engineering and design purposes and bringing back the 25-year floodplain habitable structure issue for further amendments.

(Depart Mrs. Harris)

Sia Mollanazar, Transportation Department, referring to maps before the Board, stated that the base map for the 25-year floodplain is a Southwest Florida Water Management District aerial map.

(Enter Mrs. Harris and Mr. McClash)

Discussion: Leave sections on permitting of dwellings in 25-year floodplain in LDC; maps never adopted so provision in LDC never used; return in three months with new language regarding 25-year floodplain; cost implications of process; preserve floodplain to prevent property damage or to ensure no human activity in an area; return to original language prohibiting structures in 25-year floodplain unless arises to level of taking; impact on property rights issue if maps adopted; etc.

(Depart Ms. Brown)

Bill Close, Close Homes, expressed concern that once maps are adopted, the administrative permit process will begin and homeowners in the 25-year floodplain will be required to prove, through an engineer (\$3,000-\$5,000), that construction will not affect other properties.

(Enter Ms. Brown)

Discussion: Interneighborhood Ties amendments **withdrawn**.

Recess/Reconvene. All members present except Mrs. Harris.

Ms. Suess addressed the Nonconforming Lots amendment and stated that a letter was received from **James Dye**, attorney, objecting to the LDC amendments to Section 1107.3.1, regarding use of nonconforming lots for affordable housing.

(Enter Mrs. Harris)

Alan Prather, representing Christine Bazemore, Inc., stated his client was developing an affordable housing project in the Verna Bethany area. He stated the amendment will stop the project. He expressed concern that affordable housing should be in other areas than just one centralized location like the urban core area. Mr. Prather requested the Code not be amended and the Board consider the action taken on 702.6.6 in the first cycle of amendments.

DECEMBER 8, 1998

(Continued)

Discussion: Not changing policy with amendments; making allowances for affordable housing under certain circumstances; existing lots not meeting zoning requirements and adjacent to other lots; combine lots to meet zoning requirements to extent not prohibited by rights-of-way; bring back issue of nonconforming lots and affordable housing in rural area for determination of appropriate policy direction, etc.

Mr. Close stated he is involved in the Christine Bazemore project; has five homes built; and an appeals process should be available.

The public hearing was continued to later in the meeting.

DEBT RESTRUCTURE

Jim Seuffert, Financial Management Director, requested authorization to seek proposals for investment banking services for consolidation of the short-term commercial paper debt issued for several projects, and a restructure of the outstanding debt on the Administrative Center. He noted staff is working with R. B. Shore, Clerk of Circuit Court, and Todd Holder, financial advisor from First Union Capital Markets.

Mr. Seuffert stated the Administrative Center bonds have a call date of 2000, but since the market is good now, a forward refunding where a commitment is made now to refinance the bonds in 2000 would be done.

Motion was made by Mr. Stephens, seconded by Mrs. Harris and carried 7 to 0, to authorize staff to seek proposals for investment banking services.

PINE LEVEL AND ONA PHOSPHATE MINES - ECOSYSTEM MANAGEMENT

Robert Pederson, Planning Department, explained the team permitting process authorized by the legislature. He stated part of the process of team permitting is a nonbinding agreement in which all agencies and parties agree to participate. He submitted a copy of a memorandum (9/16/98) from Ernie Padgett, County Administrator, regarding phosphate mining information update.

Discussion: More extensive review of permit application; Exhibit C to Agreement, Flow Chart, sets out schedule of how permitting process will work; public hearings continue; etc.

Motion was made by Mr. Stephens, seconded by Mrs. Harris and carried 7 to 0, to authorize execution of the team permitting agreement with IMC-Agrico, Florida Department of Environmental Protection, Florida Department of Community Affairs, Florida Game and Freshwater Fish Commission, Central Florida Regional Planning Council, Tampa Bay Regional Planning Council, Southwest Florida Water Management District, Florida Department of Transportation, DeSoto County, Hardee County, and U.S. Army Corps of Engineers, for the ecosystem management of the Pine Level/Ona Phosphate Mining Facilities.

MEDFLY QUARANTINE LANDFILL COSTS

Motion was made by Mr. McClash, seconded by Mr. Bruce and carried 7 to 0, to authorize staff to undertake negotiations with representatives of the United States Department of Agriculture for reimbursement of landfill costs incurred during the medfly quarantine.

75TH STREET WEST IMPROVEMENTS

Motion was made by Mr. McClash, seconded by Mrs. Stein and carried 7 to 0, to execute Contract for Sale and Purchase for a Fee Simple Deed and a Temporary Construction Easement with Palma Sola Shores Condominium Association, Inc., \$211,297.87, for parcel 23 in conjunction with the 75th Street West improvements.

RECORD S46-1534

1999 LEGISLATIVE PROGRAM

Mr. Seuffert stated there was an issue added to the Legislative Program following the discussion (12/1/98) regarding a Florida Highway Patrol (FHP) budget request. The FHP is proposing to phase in more staffing over the next five years.

Motion was made by Mr. McClash, seconded by Mrs. Harris and carried 7 to 0, to adopt the 1999 Legislative Program.

RECORD S46-1535

REVISION 7, ARTICLE V COSTS

Mr. Stephens advised that he received a fax from the Florida Association of Counties (FAC) and the Implementation Committee requested he serve on that committee. He also advised there is a balance of \$1,368.90 left in the fund and the FAC is requesting permission from every county to use these funds for implementation of Revision 7 (Article V, Florida Constitution costs). He requested the County Attorney draft language to disburse these funds.
(Note: Additional action later in meeting.)

ORDINANCE 98-19: LAND DEVELOPMENT CODE AMENDMENT

(Continued from earlier in the meeting.)

Ms. Clarke addressed the LDC text amendments as follows:

1. Transportation Amendments - Changes were made regarding the limited access on University Parkway and how defined;
2. Required Improvements - Language was added regarding the criteria for connection to sanitary sewer that consideration of areas of flooding be added; amended and removed language regarding the lowest quality of water in terms of irrigation; and pedestrian-way widths was discussed;
3. Subdivision/Survey Amendments to bring into compliance with changes to state statute;
4. Environmental Amendments to bring into compliance with issues raised during Comprehensive Plan process. No issues raised in public hearings, correspondence, or workshops;
5. Offstreet Parking - No major changes since previous presentation;
6. Miscellaneous Amendments dealing with Code Enforcement Board, dust control, Licensing Board and housekeeping measures.

Discussion: Increase sidewalks to five feet; 1,500-foot-radius for transit stop; include provision to extend sidewalks at time of development of subdivision; limited access on limited thoroughfares, Section 741, etc.

Recess/Reconvene. All members present.

Motion was made by Mr. McClash, seconded by Mrs. Stein and carried 7 to 0, to hold the second hearing on the LDC Amendments on December 15, 1998, at 9:00 a.m., or as soon thereafter as same may be heard.

GARDEN LAKES STREET LIGHT MAINTENANCE

Harry Mendenhall, Transportation Department, stated that Ma-Con, Inc., property manager for Garden Lakes, requested the County reconsider assuming responsibility for four street lights on 37th Street East, south of State Road 70 (previously rejected 7/29/97).

Discussion: Lights installed by developer; 37th Street East entranceway no longer part of development; neighborhood maintaining lights outside of Garden Lakes and on public street, etc.

David Essinfeld, President of Garden Lakes Community Association, stated the lights are located one-half mile from Garden Lakes.

Motion was made by Mr. McClash, and seconded by Mr. Bruce, to approve the request that the maintenance and operation responsibility for the four street lights be transferred to the County.

Discussion: Lights to be installed on S.R. 70 and maintained by County; cost; safety; fairness; original developer required to pave 37th Street from S.R. 70 to 39th Street East, etc.

Motion carried 6 to 1, with Mr. Stephens voting nay.

ZONING

Public hearing (continued from 11/17/98) was opened to consider

PDC-98-01(P) DAVID K. DEITRICH, TRUSTEE, ET AL/MARKET PLACE WEST

Request: Preliminary Site Plan to allow a 107,894-square-foot commercial/retail shopping center, on 16.28 acres located at the Southwest corner of 53rd Avenue West and 34th Street West. Planning Commission recommended APPROVAL with 7 stipulations.

RECORD S46-1536

DECEMBER 8, 1998

(Continued)

John Osborne, Planning Department, submitted a new Stipulation 8.

RECORD S46-1537

He also submitted letters from **Benderson Development Company, Inc.**, agreeing to pay for any changes or improvements to 34th Street West; **School Board of Manatee County**; and letters in opposition to left turn on 34th Street West from **Louis K. Siegel, Alan and Ann Trueman, and Diana Macrae**, President of West Glenn Homeowners Association.

Mr. Osborne stated staff and the applicant met (11/30/98) with residents of Morton Village and presented three options for a revised access from 34th Street, all sharing a northbound turn-in from 34th Street. He referenced a site plan, Lee Middle School site plan, and a zoning map of the area. Staff met with the School Board and discussed concerns regarding northbound left turn not being allowed which would cause a burden at 53rd Avenue and 36th Street West.

He stated that staff supported the northbound left turn and merge lane for Morton Village from 34th Street West if applicant provides (1) a raised median and curbing from the Morton Village median opening north through the proposed left turn into the project, (2) rear access through the School Board property and (3) right turn lane from Morton Village to southbound 34th Street West.

Robert Pederson, Planning Department, displayed maps pointing out the location of the middle school, Market Place West and the Morton Village sites.

Ed Vogler, attorney representing the applicant, stated there is a recorded access agreement with the School Board; a signalized intersection at 53rd Avenue and 36th Street is a requirement of the project; the left turn lane represents better traffic engineering; subject to School Board consent, the applicant will provide access off of the western boundary to the intersection at 36th Street; will install a security gate at Morton Village; will provide a right turn at Morton Village entrance, etc. He submitted an amended Stipulation 3e.

RECORD S46-1538

Len Najjar, Zoller, Najjar and Shroyer, referred to a map and outlined the project site. He stated they have preserved a refuge lane, provided fifty percent more storage (six stacking spaces) for traffic turning left into the shopping center and will not affect the intersection or existing left turn lanes at 53rd Avenue and 34th Street West. He stated a curbed median is provided to prevent people that are traveling northbound from cutting into the refuge lane.

Discussion: Concern regarding traffic generated from shopping center and school traffic at new intersection; deceleration lanes to decrease congestion, etc.

Speaking in opposition to the left turn from 34th Street were the following residents of Morton Village: **Dan Harkin; Jerry Jenny; Charlie Hein; Pasquale Prata; Bruno Brigandi; Madeline Libby; Eleanor Curry; Ron Bamberger; Stan Doan; Herb Stern**, President of Morton Village, who submitted a petition of 210 residents of Morton Village in opposition to left turn; **Evelyn Hendrycy**, who submitted a newspaper article (12/2/98) opposing the left turn; and **Robert Lucas**, who referenced a written statement.

Discussion: Redesigning the potential left turn; traffic analysis calls for right turn lanes at entrances; Certificate of Level of Service not issued; 53rd Street scheduled for multi-laning; not a capacity problem; left turn lane safer; multi-access points best, etc.

Recess/Reconvene. All members present.

Mr. Vogler gave examples of other projects in the County with unprotected left turns. He stated that amended Stipulation 3.e. provides all the conditions to accommodate Morton Village residents.

Mr. Najjar stated the developer would agree to moving the left turn and the left-turn storage, and the entrance to Market Place further south, still preventing people from making left turns out of the center entrance of the shopping center to go northbound. Nothing would change with regard to 34th Street, the refuge lane or the double left turn lanes at 53rd Street.

Motion

Based upon the staff report, evidence presented, comments made at the public hearing, the action of the Planning Commission, and finding the request to be consistent with the Manatee County Comprehensive Plan and the Manatee County Land Development Code, as conditioned herein, Mrs. Harris moved to approve **Preliminary Site Plan PDC-98-01(P)** with stipulations 1 through 7, as recommended by the Planning Commission, most specifically the amended Stipulation 3.d. with no modifications to 34th Street and the addition of Stipulation 8, as recommended by staff. Motion was seconded by Ms. Brown.

Motion - Amended

Motion was made by Mrs. Stein to amend the motion to add a stipulation that the northern entrance on 34th Street be shifted to the south with a left turn lane into Market Place West property and sufficient dual left turn lane storage from that point forward to 53rd Avenue as a redesign, and that the southern entrance at Market Place West on 34th Street be right turn-in and right turn-out only with no change at the intersection of 34th Street and Morton Village. Motion was seconded by Mr. Stephens.

Recess/Reconvene. All members present.

Discussion: Continue hearing; need graphic of change; leave motion and amendment on floor and draft motion to read at next meeting, etc.

Motion - Continue

Motion was made by Mr. Stephens, seconded by Mr. McClash and carried 7 to 0 to continue the hearing to December 15, 1998, at 1:30 p.m., or as soon thereafter as same may be heard.
