R-83-54

201 WASTEWATER FACILITY MASTER PLAN

WHEREAS, the Board of County Commissioners of Manatee County, Florida, has for a number of years been instituting wastewater programs to abate water pollution and to provide persons in Manatee County, Florida, with proper wastewater treatment facilities, and

WHEREAS, Section 201, Title II of Public Law 92-500 of the United States of America, provides grant programs for the development of Facility Plans recommending regional wastewater collection and treatment systems, and

WHEREAS, resolutions approving the South County 201 Facilities Plan on July 20, 1976, and approving the North County 201 Facilities Plan on November 14, 1978, were duly adopted by said Board of County Commissioners, and

WHEREAS, a Resolution Authorizing Preparation and Submission of 201 Facilities Plan Amendments for the South Manatee County Planning Area and 201 Facilities Plan Amendments for the North Manatee County Planning area was duly adopted July 17, 1980, by the Board of County Commissioners of Manatee County, Florida, and

WHEREAS, a draft of these amendments, known collectively as the Manatee County Wastewater Master Plan, was prepared and subsequently submitted to the Florida Department of Environmental Regulation, and comments of that agency have been reflected in the Wastewater Master Plan hereby approved; and

WHEREAS, a public hearing was held before said Board of County Commissioners on April 4, 1983, after due publication of notice thereof, to allow public input and comment concerning the anticipated program set forth in the Manatee County Wastewater Master Plan, and no major objection was raised or made, at the public hearing or during the 10-day comment period preceding adoption of

1 this resolution, to the proposed program as set forth therein,
2 and,

3 WHEREAS, the Board of County Commissioners has considered
4 the Manatee County Wastewater Master Plan and the comments and
5 other presentations made at the public hearing, and subsequently,
6 and finds that this Wastewater Master Plan complies with all appli-
7 cable laws, rules and regulations, and that its adoption is in the
8 best interests of Manatee County and its citizens.

9 NOW, THEREFORE, BE IT RESOLVED by the Board of County
10 Commissioners of Manatee County, Florida that the Manatee County
11 Wastewater Master Plan prepared by CH2M Hill Southeast, Inc., dated
12 March 4, 1983, which updates and amends the North and South County
13 201 Facility Plans previously adopted, is hereby accepted and
14 approved for submission to the Florida Department of Environmental
15 Regulation and U. S. Environmental Protection Agency for con-
16 sideration for Federal and/or State grant participation.

17 DULY ADOPTED with a quorum present and voting, this
18 14th day of April, 1983.
