WHEREAS, the DEPARTMENT agrees to reimburse the COUNTY for a designated portion of the cost of the PROJECT in accordance with Section 339.12(4)(a), Florida Statutes. The agreement to reimburse the COUNTY is expressly subject to legislative approval and appropriation of funds necessary to make the reimbursement. Subject to legislative approval and appropriation, reimbursement shall be made beginning in the DEPARTMENT'S fiscal year 2008/2009, with reimbursement to be made to the COUNTY in ten (10) equal quarterly payments.

WHEREAS, the COUNTY, by Resolution dated the 25th day of March, 2003, a copy of which is attached hereto and made a part hereof, has authorized the Chairperson of its Board of Commissioners to enter into this Agreement.

WHEREAS, the PROJECT is on the State Highway System and is not revenue producing.

NOW THEREFORE, in consideration of the mutual benefits to be derived from joint participation in this Agreement, the parties agree as follows:

1. The total estimated cost of the PROJECT, as described in paragraph 1 above, is TEN MILLION FOUR HUNDRED TWENTY-THREE THOUSAND AND 00/100 DOLLARS (\$10,423,000.00). 2. The DEPARTMENT, after confirmation of receipt of the funds from the COUNTY in accordance with paragraphs 1 above, will begin the design and construction of the PROJECT by means of a design/build contractor. The DEPARTMENT shall be authorized to withdraw from the deposited funds the amounts necessary to fund the design/build of the PROJECT.
3. The DEPARTMENT agrees to reimburse the COUNTY in accordance with Section 339.12(4)(a), Florida Statutes for the amounts deposited by the COUNTY pursuant to paragraph 1 above together with any additional amounts paid by the COUNTY pursuant to paragraph 4 below. In any event, reimbursement by the DEPARTMENT will not begin before the DEPARTMENT'S fiscal year 2008/2009 and reimbursement to the COUNTY shall be made in ten (10) equal quarterly payments.
4. The DEPARTMENT and the COUNTY recognize that the exact cost of the design and construction of the PROJECT are not known at this time, the parties recognize that adjustments to the above-referenced costs may be required in the future and that at the option of the parties, amendments may be entered into to revise the funds available for the PROJECT. Said request from the DEPARTMENT for additional funds shall be in writing and the additional costs shall be

substantiated by the DEPARTMENT. If the DEPARTMENT requests such additional amounts to complete the PROJECT, the COUNTY shall provide said funds at the later of the date specified by the DEPARTMENT or thirty (30 days) from final execution of an amendment to this Agreement.

If the final cost exceeds the advanced reimbursable payment, the COUNTY will be invoiced for the balance. Upon receipt of the final invoice, the COUNTY agrees to pay the DEPARTMENT in the amount of such actual cost within forty (40) days from the date of the invoice. The COUNTY shall pay an additional charge as specified in Section 55.03, Florida Statutes, on any invoice not paid within the time specified in the preceding sentence, until the invoice is paid.

6. The DEPARTMENT agrees to provide project schedule progress reports to the COUNTY in the standard format used by the DEPARTMENT and at intervals established by the DEPARTMENT. The COUNTY will be entitled at all times to be advised, at its request, as to the status of work being done by the DEPARTMENT and of the details thereof. Either party to the Agreement may request and be granted a conference.

8. The DEPARTMENT shall not be obligated or liable hereunder to any party other than the COUNTY.

9. In no event shall the making by the DEPARTMENT of any payment to the COUNTY constitute or be construed as a waiver by the DEPARTMENT of any breach of covenant or any default which may then exist, on the part of the COUNTY, and the making of such payment by the DEPARTMENT while any such breach or default shall exist shall in no way impair or prejudice any right or remedy available to the DEPARTMENT with respect to such breach or default.

10. Unless otherwise specifically stated herein, this Agreement shall be governed by and construed in accordance with the laws of the State of Florida.

11. All notices under this Agreement shall be directed to the following:

12. If any part of this Agreement shall be determined to be invalid or unenforceable by a court of competent jurisdiction or by any other legally constituted body having the jurisdiction to make such determination, the remainder of this Agreement shall remain in full force and effect provided that the part of this Agreement thus invalidated or declared unenforceable is not material to the intended operation of this Agreement.

13. To the extent provided by Section 768.28, Florida Statutes, the COUNTY shall indemnify, defend, and hold harmless the DEPARTMENT and all of its officers, agents, and employees from any claim, loss, damage, cost, charge, or expense arising out of any act, error, omission, or negligent act by the COUNTY, its agents, or employees during the performance of this Agreement, except that neither the COUNTY, its agents, or its employees will be liable under this paragraph for any claim, loss, damage, cost, charge, or expense arising out of any act, error, omission, or negligent act by the DEPARTMENT or any of its officers, agents, or employees during the performance of this Agreement.

The parties recognize and accept the funding restrictions set forth in Section 339.135(6)(a), and Section 129.07, Florida Statutes, which may affect each of the parties' obligations. Those provisions are as follows:

(a) The Department during any fiscal year shall not expend money, incur any liability, or enter into any contract which, by its terms, involves the expenditure of money in excess of the amounts budgeted as available for expenditure during such fiscal year. Any contract, verbal or written, made in violation of this subsection is null and void, and no money may be paid on such contract. The Department shall require a statement from the Comptroller of the Department that funds are available prior to entering into any such contract or other binding commitment of funds. Nothing herein contained shall prevent the making of contracts for periods exceeding one (1) year, but any contract so made shall be executory only for the value of the services to be rendered or agreed to be paid for in succeeding fiscal years. Section 339.135(6)(a), Florida Statutes. Accordingly, the State of Florida's performance and obligation to pay under this Contract is contingent upon an annual appropriation by the Legislature.

(b) It is unlawful for the Board of County Commissioners to expend or contract for the expenditure in any fiscal year more than the amount budgeted in each fund's budget, except as provided herein, and in no case shall the total appropriations of any budget be exceeded, except as provided in s. 129.06, and any indebtedness contracted for any purpose against either of the funds enumerated in this chapter or for any purpose, the expenditure for which is chargeable to either of said funds, shall be null and void, and no suit or suits shall be prosecuted in any court in this state for the collection of same, and members of the Board of County Commissioners voting for and contracting for such amounts and the bonds of such members of said boards also shall be liable for the excess indebtedness so contracted for. Section 129.07, Florida Statutes.

When either party receives a notice of claim for damages that may have been caused by the other party in the performance of services required under this Agreement, that party will immediately forward the claim to the other party. Each party will evaluate the claim and report its findings to

each other within fourteen (14) working days and will jointly discuss options in defending the claim.

16. This Agreement is expressly contingent upon the DEPARTMENT obtaining from Schroeder-Manatee Ranch, Inc., the owner of the land adjoining the PROJECT, donation to the DEPARTMENT of land necessary for storm water drainage ponds/facilities and for required right-of-way for the mainline highway portion of the PROJECT. If the DEPARTMENT does not obtain donation of this land as required for the PROJECT, then this Agreement shall, at the DEPARTMENT'S option, be null and void.

17. This Agreement shall continue in effect and be binding on the parties until the PROJECT is completed, final costs are known and legislatively appropriated reimbursements, if approved, are made by the DEPARTMENT. However, the COUNTY'S obligation to maintain the PROJECT after completion by the DEPARTMENT shall survive the term of this Agreement.

18. This document incorporates and includes all prior negotiations, correspondence, conversations, agreements, or understandings applicable to the matters contained herein, and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, it is agreed that no deviation from the terms hereof shall be predicated upon any prior representations or agreements whether oral or written. It is further agreed that no modification, amendment or alteration in the terms or conditions contained herein shall be effective unless contained in a written document executed with the same formality and of equal dignity herewith.

IN WITNESS WHEREOF the COUNTY has caused this Locally Funded Agreement to be executed in its behalf this 25th day of March, 2003, by the Chairperson of the Board of Commissioners, authorized to enter into and execute same by Resolution Number R-03-85 of the Board on the 25th day of March, 2003, and the DEPARTMENT has executed this Locally Funded Agreement through its District Secretary for District One, Florida Department of Transportation, this 28th day of March, 2003.
