Dear Chief Edenfield:

Thank you for visiting with me this morning. I am very grateful for your input on our EMT/Paramedic programs. I feel we have an important partnership that will be productive for both of us.

I understand that Manatee EMS may be able to provide us with an ambulance in order to train our students for EVOC – the Emergency Vehicle Operations Course. This would be a needed addition to our EMT-B program and can also be offered separately for those needing the training. MTI will send Jim Cena, our instructor to Ocala for EVOC training so he in turn can teach the students here.

I will inform you on the date of our next Advisory Committee meeting and I thank you for consenting to be a part of it. Your involvement on the committee will keep me informed of any issues and concerns that you may have about our program so we can continue to retain our reputation of being one of the best training programs in the state.

Sincerely,

Priscilla Haflich, Ed.D.
