Dear Mr. Padgett,

This letter is in reference to a pick-up truck the county is going to surplus. The vehicle is a F-350, one-ton pick-up with four-wheel drive. The I.D. number on the truck is 308061. I would like to request from the County Commissioners that the truck be donated to the Myakka City Fire District. This particular truck can be used as a utility truck and a quick-attack brush truck. While we have large brush trucks to mitigate open area fires we lack the resource to cope with the urban interface fires. The rapid growth of new housing developments in our district has created a problem of access to and around homes. The large brush trucks cannot readily gain access to back yards and fenced in areas as well as a small quick attack pick-up truck. Our intention is to outfit this truck with a portable firefighting skid unit to fight brush fires in small and limited access areas.

As always your support and generosity is appreciated and we look forward to working with you in the future.

Respectfully,

Robert Dodge
