

RESOLUTION NO. R- 03- 289

RESOLUTION OF MANATEE COUNTY, FLORIDA, APPROVING SPECIAL APPROVAL FOR A PROJECT [CASA-DEL-LEON, 03-S-13(F)] TO UTILIZE SEVEN SEPTIC TANKS RATHER THAN REQUIRING CONNECTION TO MANATEE COUNTY'S PUBLIC SANITARY SEWER SYSTEM

Whereas, Comprehensive Plan Policy 9.2.1.2 requires new projects located within the wastewater treatment collection area to connect to the Manatee County sewer system except as allowed by Special Approval; and

Whereas, The Board has authorized requests for Special Approval to be presented in the form of a Resolution for consideration by the Board; and

Whereas, A pending request for rezoning known as Casa-Del-Leon [03-S-13(F)] is located within the Southeast Wastewater treatment collection area as shown on Comprehensive Plan Map 9-A; and

Whereas, The applicant proposes a minor subdivision to replat ±10.06 acres to establish 7 lots in accordance with the A-1 zoning; and

Whereas, An analysis of the factors to be reviewed when a project proposes to not connect to the Manatee County sewer system has been conducted by the appropriate review agencies, as specified in the Comprehensive Plan and the Land Development Code, recommending that the Board grant Special Approval for several dwelling unit to utilize a septic tank.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MANATEE COUNTY, FLORIDA, THAT:

SECTION 1. FINDINGS

- A. The overriding policy of Manatee County as expressed in Comprehensive Plan Policy 9.2.1.2 is to require all new development within the wastewater collection area to connect to Manatee County's public sanitary sewer system.
- B. The wastewater collection area is depicted on Map 9-A of the 2020 Manatee County Comprehensive Plan and the proposed minor subdivision lies within the wastewater collection area.

- C. The closest connection to the central sewer system is a force main at the intersection of 33rd Street East and 38th Terrace East in Oak Terrace Subdivision which is over 5,000 feet from the site.
- D. The minor subdivision is proposed in an area where development is sparse.
- E. The additional expense to connect to the public sanitary sewer system is not warranted in this instance, based upon the criteria in the Comprehensive Plan and Land Development Code.

SECTION 2. The Board of County Commissioners hereby grants Special Approval for the Casa-Del-Leon [03-S-13(F)] to utilize seven septic system for this project, thereby not requiring this project to connect to the Manatee County sanitary sewer system.

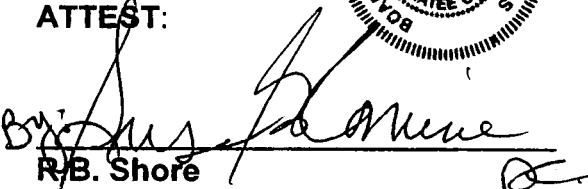

ADOPTED, with a quorum present and voting this 18th day of November, 2003.
