Such payment, however, may not exceed an amount which is the same percentage of the contract price as the amount of work satisfactorily completed is a percentage of the total work called for by this Agreement. All work in progress will become the property of the DEPARTMENT and will be turned over promptly by the COUNTY.

Each party will evaluate the claim, and report its findings to each other within fourteen (14) working days and jointly discuss options in defending the claim. A party's failure to promptly notify the other of a claim will not act as a waiver or any right herein.
- B) The COUNTY agrees to include the following indemnification provision in all contracts with contractors/sub-contractors and consultants/sub-consultants who perform work in connection with this Agreement:

"The contractor shall indemnify, defend, save and hold harmless the DEPARTMENT and all of its officers, agents or employees from all suits, actions, claims, demands, liability of any nature whatsoever arising out of, because of, or due to any negligent act or occurrence of omission or commission of the contractor, its officers, agents or employees. Neither the contractor, nor any of its officers, agents or employees will be liable under this section for damages arising out of injury or damage to persons or property directly caused or resulting from the sole negligence of the DEPARTMENT or any of its officers, agents or employees."

The COUNTY further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

C) AUDITS

i) PART I: FEDERALLY FUNDED

- (1) Recipients of federal funds (i.e. state, local government, or non-profit organizations as defined in OMB Circular A-133, as revised) are to have audits done annually using the following criteria:

In determining the Federal awards expended in its fiscal year, the recipient shall consider all sources of Federal awards, including Federal resources received from the Department. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by OMB Circular A-133, as revised. An audit of the recipient conducted by the Auditor General in accordance with the provisions OMB Circular A-133, as revised, will meet the requirements of this part.
- (3) In connection with the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in Subpart C of OMB Circular A-133, as revised.
- (4) If the recipient expends less than \$500,000 for fiscal years ending after December 31, 2003 in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, is not required. In the event that the recipient expends less than \$500,000 for fiscal years ending after December 31, 2003 in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other than Federal entities).
- (5) Federal awards are to be identified using the Catalog of Federal Domestic Assistance (CFDA) title and number, award number and year, and name of the awarding federal agency.

D) PART I: STATE FUNDED

- i) The COUNTY as a recipient of state funds pursuant to F.S. §215.97(2)(m), i.e., a non-state entity as defined by §215.97(2)(m), is to have audits done annually using the following criteria:

- ii) F.S. §215.97 (2) (a): Each nonstate entity that expends a total amount of state financial assistance equal to or in excess of \$500,000 in any fiscal year of such nonstate entity shall be required to have a state single audit, or a project-specific audit, for such fiscal year in accordance with the requirements of this section and applicable rules of the Executive Office of the Governor and the CFO; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department, other state agencies, and other non-state entities. - iv) If the COUNTY expends less than \$500,000 in state financial assistance in its fiscal year, an audit conducted in accordance with the provisions of F.S. §215.97 is not required. In the event that the recipient expends less than \$500,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of F.S. §215.97, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).
- v) State awards are to be identified using the Catalog of State Financial Assistance (CSFA) title and number, award number and year, and name of the state agency awarding it.

E) PART II: OTHER AUDIT REQUIREMENTS

- i) The COUNTY shall follow up and take corrective action on audit findings. Preparation of a summary schedule of prior year audit findings, including corrective action and current status of the audit findings is required. Current year audit findings require corrective action and status of findings.
- ii) Records related to unresolved audit findings, appeals, or litigation shall be retained until the action is completed or the dispute is resolved. Access to project records and audit work papers shall be given to the DEPARTMENT, the Comptroller, and the Auditor General. This section does not limit the authority of the DEPARTMENT to conduct or arrange for the conduct of additional audits or evaluations of state financial assistance or limit the authority of any other state official.
