WHEREAS, the Board of County Commissioners, has heretofore approved the scope and construction of the project, parcels identified in Exhibit "A", and identified in the Capital Improvement Project; and

WHEREAS, under Florida Statute 73.015, effective July 1, 2000, before bringing an eminent domain proceeding, the condemning authority must attempt to negotiate in good faith with the fee owners of the parcels to be acquired, provide fee owners with a written offer, and, if requested, a copy of the appraisal report upon which the offer is based, and attempt to reach an agreement regarding the amount of compensation to be paid for the parcel; and

WHEREAS, from time to time it is in the County's best interest to conduct such negotiations and make such written offers prior to the time that the Board of County Commissioners is scheduled to meet; and

WHEREAS, the Board of County Commissioners finds that in such cases it is appropriate to delegate to the County Administrator, or his designee, within guidelines, the authority to conduct negotiations and make written offers to purchase such parcels, subject to the Board of County Commissioners approval; and

WHEREAS, the Board of County Commissioners finds that limiting such authority to make a written offer up to the amount specified in the appraisal, and requiring the concurrence of the County Attorney or his designee in the written offer, will provide adequate guidelines and safeguard Manatee County's interest.
