Dear Commissioners:

Animal Rescue Coalition respectfully requests the use of a "retired" animal services truck. The purpose of the truck would be to continue to expand ARC's feral cat program. We would use the truck to target high population colonies, where we have a hard time finding trappers and bring the cats humanely to ARC's feral cat day – the third Sunday of every month.

We are also currently having a shortage of trappers due to the cost of fuel. This truck would greatly help ARC and the feral cat population in Manatee County.

We thank you in advance for your consideration and appreciate the opportunity to make this request.

ARC very much appreciates the relationship between Manatee County, and especially Manatee County Animal Services. The work we all do is making a difference.

Sincerely,

Brenda Terris  
Executive Director
