Dear Mr. Schulhofer,

I understand that the county has surplus computers that they no longer have a need for. I am the Mobility Coordinator at Suncoast Center for Independent Living we provide mobility equipment and computers to individuals who are low income with a disability. These computers would be put to great use helping individuals prepare for and obtain community employment and to help them become active members of their community. We are in dire need of both Laptops and Flat Screen monitors and have the need for 40+ at this present time. We also have a need for about 20 desktop towers.

Your thoughtfulness through these donations would greatly impact the lives of people with disabilities who have limited resources. The Suncoast Center for Independent Living, Inc. (SCIL) is dedicated to enhancing the lives of people with disabilities in maintaining their independence and quality of life. It is through the generosity and thoughtfulness of others that assist us in accomplishing this goal.

SCIL is a non-profit, charitable organization and your donation may be tax deductible.
