P.O. Box 1000  
Bradenton, FL 34206

Dear Ms. Windon,

Turning Points, formerly known as the Community Coalition on Homelessness, is working to address a variety of needs of men, women and children in our community who are homeless or are struggling to avoid becoming homeless. We appreciate the support Manatee County has provided in the past by donating used computer to be used in our programs, and hope that you will be able to again provide this much needed item. In the past year we have utilized all the computers you have previously donated and have also distributed some to partner agencies serving the homeless/low income population. With the constant use these computer units get, we find that there is a relatively high turnover, and we are now in the position of needing more.

We would like to request that if there are computers available for donation, please consider donating them to Turning Points. Your past donation of computers has enabled us to provide staff and clients with the equipment they need to be able to access information and programs critical for people in crisis facing life challenges most of us can not imagine! We sincerely request your consideration of this current appeal.

If you have any questions regarding this application, please do not hesitate to contact me using the contact information listed above.

Sincerely,

Adell Erozer
