SEARCH RESCUE MANATEE COUNTY

EXHIBIT "B"

TO: Whom it may concern
FROM: Manatee County Search / Rescue, Inc.
SUBJECT: Request for radio and equipment donations

R-14-097

Manatee County Search / Rescue is always looking for ways to make working with the agencies in the county that request our service as seamless as possible. One of the ongoing issues we have experienced on a variety of call outs is our communications or lack of, with the requesting agency.

Though we have members of law enforcement and Fire Rescue on our team, depending on shifts and our response, we find ourselves short on communications which can slow things down. Dealing with missing and endangered persons, timely communication is essential, not only for real time changes to information but for member safety in the field.

We are seeking donations of any portable & mobile radios such as P7100's as well as chargers, batteries etc. Being an independent volunteer 501c3 non-profit organization we do not have the income for such purchases, but yet find the equipment a very important tool in assisting the agencies of Manatee County. If you have or may be getting any equipment that may help us fill this gap in communications please let us know. We know sometimes items like this are often destroyed but our status as a 501c3 would allow these items to be taken by MCSAR as a tax break under the IRS 501c3 guidelines as they are moved into our inventory.

Thank you for your support,
