Dear Manatee County Board of Commissioners;

The City of Palmetto would like to request the donation of a Ground Penetrating Radar unit that you currently have in surplus. It would be a tremendous help to the City of Palmetto in identifying our infrastructures locations and depths under the roadways to help bring our GIS mapping system of the City's infrastructure up to date.

The Ground Penetrating Radar unit is a Noggin 250 Plus by Sensors & Software with an asset # 52326 on the unit currently located in the Surplus warehouse, Serial # 41100060.

Thank you very much.
