Re: Surplus Equipment

Dear Mr. Butzow,

UF/IFAS Extension, Manatee County would like to request the donation of a Drone (asset # 62375) to be repurposed for a research project serving our clientele. The current unit is damaged and has been partially cannibalized by Property Management, Energy and Sustainability division, the original owner (no batteries). The repair cost estimate is up to \$1200 + \$400 (batteries) exceeding the original cost of the unit (\$1399), thus deemed uneconomical to repair and was approved for disposal by the County.

We (Manatee County Extension) are recognized as a non-profit 501(c)(3) organization by Internal Revenue Services.

We understand that such resources made available to other county departments and government agencies as prescribed by the law and that any such donation may or not suit our specific need. These items may also need repair or additional monetary investments to be fully utilized. We would appreciate being notified of the decision regarding the donation.

Sincerely,

A handwritten signature in black ink, appearing to be "A. S.", written over a horizontal line.
