CLERK OF THE CIRCUIT COURT
MANATEE CO. FLORIDA

AN ORDINANCE OF THE BOARD OF COUNTY COMMISSIONERS OF MANATEE COUNTY, FLORIDA, REGARDING LAND DEVELOPMENT, APPROVING AN AMENDED ZONING ORDINANCE AND PRELIMINARY SITE PLAN ON APPROXIMATELY 9.1 ACRES ON THE WEST SIDE OF US 41, ± 550 FEET SOUTH OF 53RD AVENUE WEST AND EXTENDING WEST TO 16TH STREET WEST AT 5410 14TH STREET WEST, BRADENTON TO REVISE THE TIMING OF FINAL PLAT APPROVAL; SUBJECT TO STIPULATIONS AS CONDITIONS OF APPROVAL; SETTING FORTH FINDINGS; PROVIDING A LEGAL DESCRIPTION; PROVIDING FOR SEVERABILITY, AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, Alco Properties of Manatee, LLC (the "Applicant") filed an application for a revised Preliminary Site Plan for approximately 9.1 acres described in Exhibit "A", attached hereto, (the "Property") to approve a revised Preliminary Site Plan to revise the timing of Final Plat approval; and

WHEREAS, Planning Department staff recommended approval of the revised Preliminary Site Plan applications subject to the stipulations contained in the staff report; and

WHEREAS, the Board of County Commissioners, after due public notice, held a public hearing on June 23, 2009 to consider the revised Preliminary Site Plan, received the staff recommendation, and considered the criteria for approval in the Manatee County Comprehensive Plan and the Land Development Code.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF MANATEE COUNTY, FLORIDA:

Section 1. FINDINGS OF FACT. The recitals set forth above are true and correct and are hereby adopted as findings by the Board of County Commissioners.

The Board of County Commissioners, after considering the testimony, evidence, documentation, the recommendation and findings of the Planning Commission, as well as all other matters presented to the Board at the public hearing hereinafter referenced, hereby makes the following findings of fact:

- A. The Board of County Commissioners has received and considered the report of the Manatee County Planning Commission concerning the application for a Preliminary Site Plan as it relates to the real property described in Exhibit "A" of this Ordinance.
- B. The Board of County Commissioners held a duly noticed public hearing on June 23, 2009 regarding the proposed Preliminary Site Plan described herein in accordance with the requirements of Manatee County Ordinance No. 90-01, (the Manatee County Land Development Code), and has further considered the information received at the public hearing.

- C. The proposed Preliminary Site Plan regarding the property described in Exhibit "A" herein is found to be consistent with the requirements of Manatee County Ordinance No. 89-01, the 2020 Manatee County Comprehensive Plan.
- D. For the purposes of granting Special Approval, the Board finds that the project, as detailed on the Preliminary Site Plan and as conditioned herein, will have no significant detrimental impacts on natural resources, adjacent land uses, or public facilities.
- E. Notwithstanding the failure of this plan to comply with the requirements of LDC Section 603.7.4.5, the Board finds that the proposed design satisfies the public purpose and intent of the LDC regulations to an equivalent degree because a 20' wide landscape buffer is proposed on Parcel B along the eastern boundary of the single family lots, which exceeds the minimum buffer width requirement of 10'.
- F. Notwithstanding the failure of this plan to comply with the requirements of LDC Section 603.7.4.1, the Board finds that the proposed design satisfies the public purpose and intent of the LDC regulations to an equivalent degree because the existing neighborhood does not have roadway buffers and requiring a roadway buffer for these 8 lots would reduce proposed lot size.
